

## PERCORSO STEFANO SODDU

Work by Stefano Soddu: the path goes beyond the surface, as iron magma explodes from within. A creative fracture that stresses a force of nature and the heat trying to break through.

BREM'ART CREATIONS (pag.80)  
Brushed-metal finish BR 0031 and semi-bright varnish with 9005M black background.  
FITTINGS WITH REMOTE VALVES (page 232).
