

the **seven** advantages of **WAT**

Water activated tape, also commonly known as **gummed paper tape**, is rapidly becoming the carton sealer of choice in the order fulfilment sector.

1 improved presentation

2 an integral closure

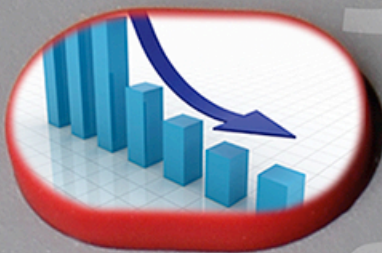

3 100% recyclability

4 Reduced operator fatigue

5 cost savings

6 tamper evidence

7 temperature tolerance

Used by the world's **largest operations** in favour of plastic tapes

Tegrabond® water activated tape and manual/electronic WAT dispensers are supplied throughout the UK and across Europe
