13 RISK STATEMENT

Sailing is by its nature an unpredictable sport and therefore involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:
- they are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk while taking part;
 - they are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
 - they accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
 - their boat is in good order, equipped to sail in the event and they are fit to participate;
 - the provision of a race management team, patrol boats, umpires and other officials and volunteers by the organiser does not relieve them of their own responsibilities;
 - they are responsible for ensuring that their boat is equipped and seaworthy so as to be able to face extremes of weather; that there is a crew sufficient in number, experience and fitness to withstand such weather and that the safety equipment is properly maintained, stowed and in date and is familiar to the crew.
- 13.2 The organizing authority is not responsible for the seaworthiness of a boat whose entry is accepted or the sufficiency or adequacy of its equipment. The organizing authority will not accept any liability for material damage or personal injury or death sustained in conjunction with, prior to, during or after the regatta.
