ECR is a UK based Christian charity providing support to some of the poorest and most disadvantaged children, teenagers and families affected by HIV/AIDS in Constanta, Romania. We offer help in a range of ways from supplying material, financial, emotional and medical assistance to facilitating respite care and delivering educational programmes. Our objective is to improve the health, happiness and prospects of the children and families affected by HIV/AIDS in this region and support them in becoming active and accepted members of their communities

So join us to improve your health, enjoy beautiful surroundings and help raise vital funds. For further information or to receive a sponsor form please email Sue Collins at [tygwynbandb@btinternet.com](mailto:tygwynbandb@btinternet.com)
