

COMMOTION

2022

## Welcome to our 2022 catalogue

We wish everyone a healthy and successful 2022 and hope you find our range, with more than 50 new products, refreshing and innovative.

Over the past year we have continued our investment in product research and development, and we have restructured our business to allow seamless distribution within Europe. As always our number one priority is you and we are as committed as ever to offer the best level of service and customer experience possible.

We continue to offer a complete partner package for all our customers, including high resolution images, product videos, testimonials and detailed descriptions. Please ask our team below if you need help with access to this.

Thank you for your continued support and we look forward to working with you.

## European Distribution

All orders for our European Customers are distributed via our logistics service in The Netherlands. Our Customer Services team remains based in the UK.

## New for 2022

We continually add new products to our range. The logo highlights what's new this year.

## Ages

All products comply with international standards. Those tested for under 3s feature an age suitability logo.

## Direct Delivery

UK & European drop ship available. Contact us for pricing.

## Videos

Available for customers to view and embed in their websites.

## Product Guides

Activity guides, ideas for use or teacher's notes included.

## Awards

Visit our website for details of all our award winning products.

## Stay Connected

Visit our website to sign up to our bespoke mailing list for latest new product releases and helpful information.

## Light & Colour (Page 4-21)

Light & colour resources are essential building blocks of early learning, where children of all ages and abilities can develop an understanding of a broad spectrum of subjects: observation of natural and man-made objects, colour mixing and creativity, scientific discovery, mathematical perception, logical thinking and language development.

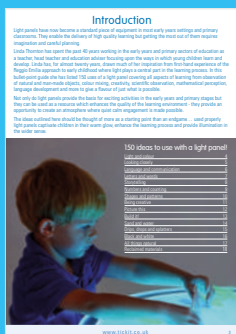

## Round Light Panel

73054 600mm dia.

Illuminated area 550mm dia.

### Features

- Anti-trip magnetic connection
- 3 light levels
- Simple lock function
- Universal power adaptor
- Low voltage
- Light Panel Guide

TickiT light panels provide a cool, clean, illuminated background. Ideal for the investigation of light, colour and shape. The panels are tough, portable and easy to wipe clean. Every TickiT Light Panel comes with a user guide containing 150 ideas to provide teachers and practitioners with inspiration for their use. Digital versions are available in French, German, Spanish, Italian, Polish, Swedish & Dutch - please enquire for details.

## Features

- Anti-trip magnetic connection
- 3 light levels
- Simple lock function
- Universal power adaptor
- Low voltage
- Light Panel Guide

## TickiT A3 Light Panel

73046 460 x 340 x 8mm. Illuminated area 419 x 299mm

## TickiT A3 Light Panel Cover

72046 A3 Light Panel Cover

73060 A3 Light Panel & Light Panel Cover Set (UK DD)

Large clear shallow thermoplastic cover designed to fit over our A3 Light Panel (73046), providing an illuminated container for a range of art, craft, messy play, sensory or exploration activities.

Size of cover: 490 x 370 x 53mm. Internal depth 44mm.

## TickiT A3 Exploration Light Tray

73022 A3 Exploration Light Tray

73036 A3 Light Panel & Exploration Light Tray Set (UK DD)

Large clear deep polycarbonate tray designed to fit over our A3 Light Panel (73046) providing a rigid illuminated container for a range of art, craft, messy play, sensory or exploration activities. The internal size accommodates an A3 sheet of paper.

Size of tray: 565 x 440 x 100mm. Internal depth: 73mm.

## Features

- Anti-trip magnetic connection
- 3 light levels
- Simple lock function
- Universal power adaptor
- Low voltage
- Light Panel Guide

## TickiT A2 Light Panel

73048 635 x 460 x 8mm. Illuminated area 595 x 420mm

## TickiT A2 Light Panel & Table Set

72271 A2 Light Panel & Table Set

73374 Wooden Play Table (575 x 402 x 282mm)

Low-level wooden table with A2 Light Panel which sits on top. Table legs fix into place with a hex key. Folds flat for storage. Set includes low voltage mains power supply and a TickiT Light Panel Guide.

Overall height: 290mm.

## TickiT A2 Light Panel Cover

72048 A2 Light Panel Cover

73062 A2 Light Panel & Light Panel Cover Set (UK DD)

Large clear shallow thermoplastic cover designed to fit over our A2 Light Panel (73048), providing an illuminated container for a range of art, craft, messy play, sensory or exploration activities.

Size of cover: 670 x 490 x 53mm. Internal depth 44mm.

## TickiT Colour Changing Light Panels

73018 A2 (660 x 486 x 17mm)

73386 A2 Panel & Table Set (UK DD)

73020 Round 700mm dia.

Our colour light panels use LED strips and diffusers to evenly illuminate in a range of colours. The remote control enables the selection of different colour, brightness and mode settings.

A2 Panel: Illuminated area 588 x 410mm.

Round Panel: Illuminated area 628mm dia.

## Features:

- 4 heights
- Lock function
- Universal power adaptor
- Low voltage
- Light Panel Guide

## TickiT Wooden Light Table

73038

Attractive solid wood table with a bright LED light panel in the top, providing a versatile cross-curricular resource for any SEN or early years setting. Simple touch switch technology with a lock function to prevent the panel being switched off unintentionally. With adjustable legs, the table can be set at 4 different heights: 20mm, 120mm, 300mm or 420mm, enabling children of different sizes to sit, stand or use as a desktop light panel. Size: 600 x 600mm. Illuminated area: 500 x 500mm.

Adjustable height from 20mm to 420mm.

## TickiT✓ Colour Crystal Block Set

72606 Pk41

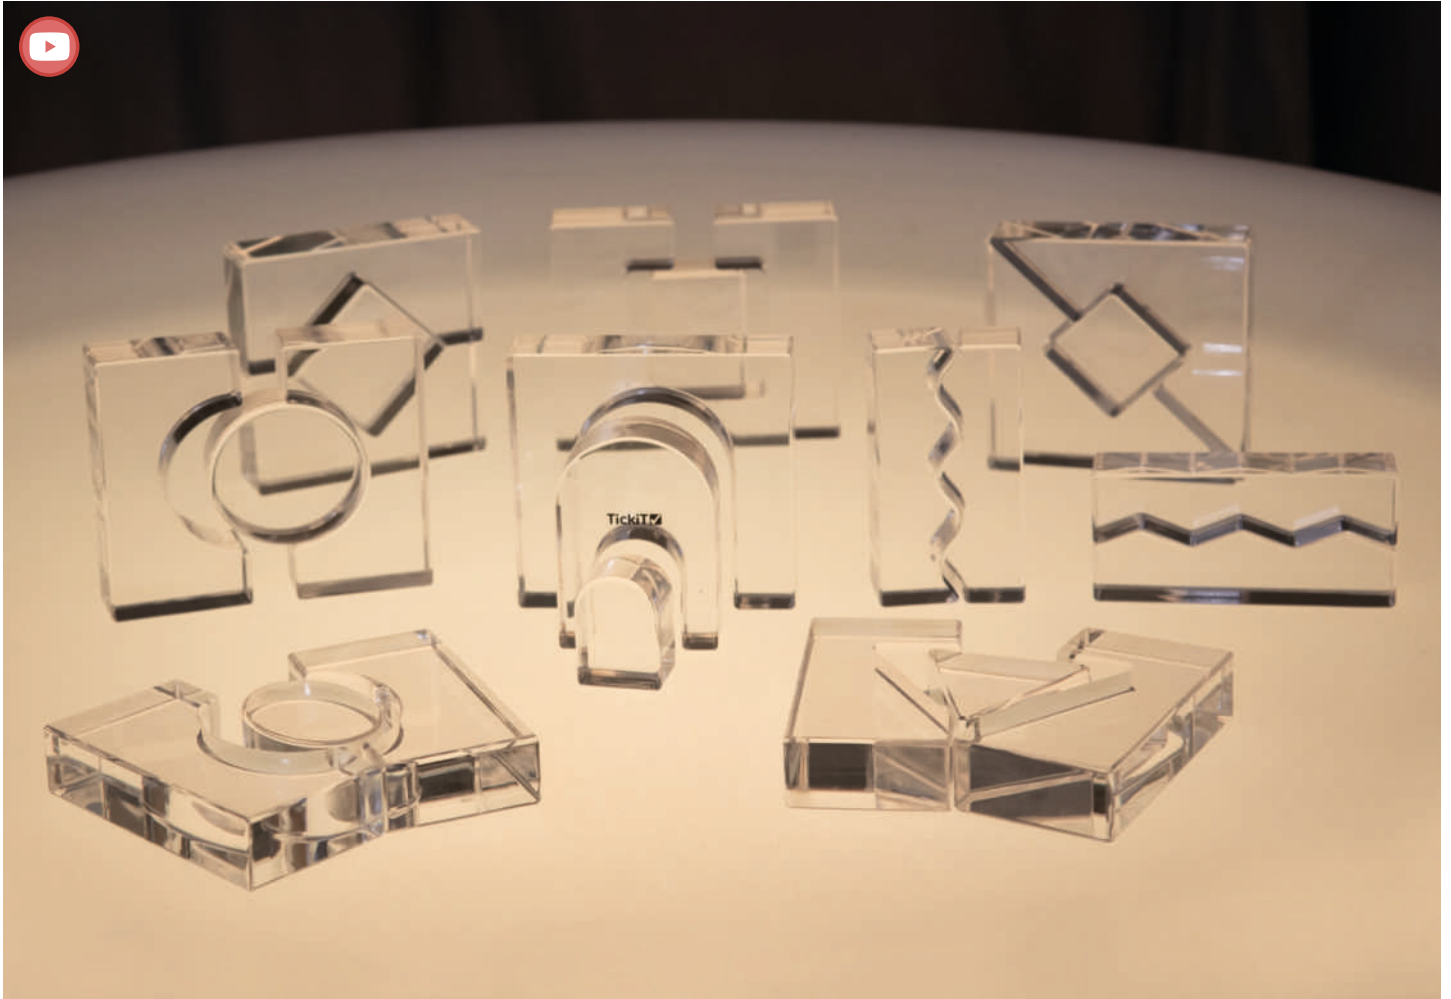

25 beautifully polished translucent colour and clear acrylic blocks in 17 different shapes, with a plane mirror, 15 work cards and activity guide in 8 languages. The smooth colourful tactile blocks are designed to enable children to explore light & colour, build patterns and sequences as well as create imaginative pictures. The regular shapes can help develop mathematical language and the understanding of geometric forms. The irregular shapes will allow for more creative and complex pictures whilst encouraging the use of descriptive language.

Size of mirror: 160 x 320mm.  
Largest block: 80 x 19 x 77mm.

15 double-sided activity cards & teachers guide in 8 languages

## TickiT Clear Crystal Block Set

72610 Pk25

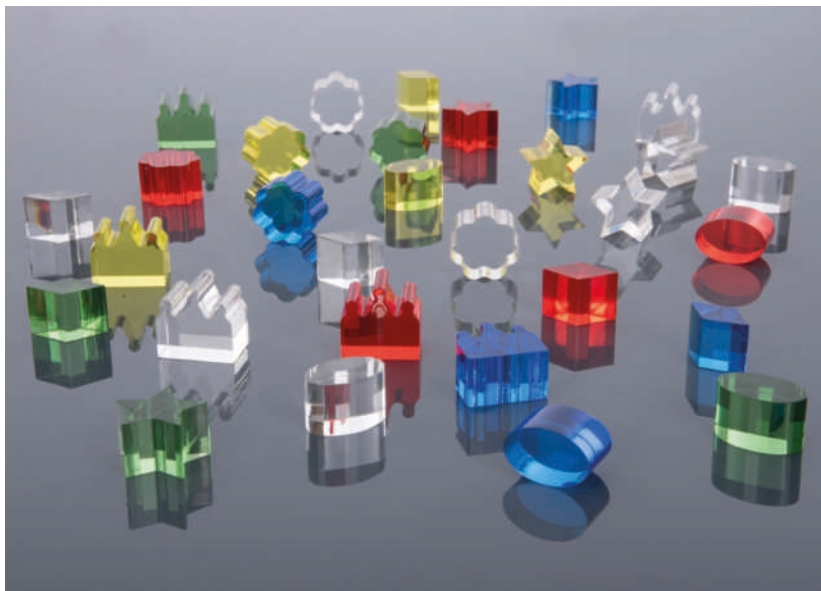

Beautifully polished crystal clear acrylic blocks with smooth, tactile surfaces. The set contains 17 different shapes designed to encourage children to create patterns, sequences and imaginative pictures.

The regular shapes can help develop mathematical language and the understanding of geometric forms. The irregular shapes will allow for more creative and complex pictures whilst encouraging the use of descriptive and mathematical language.

Size of largest block: 80 x 19 x 77mm.

### **TickiT** Colour Crystal Treasures

72614 Pk30

Polished crystal clear acrylic shapes with smooth, tactile surfaces. The set contains 5 different shapes in 4 colours and clear, designed to encourage children to create pictures, patterns, sequences and use in imaginative play. Playing with the shapes will help children develop fine motor skills whilst exploring their creativity and discovering new descriptive language.

Size: approx. 30mm.

## Perception Cubes

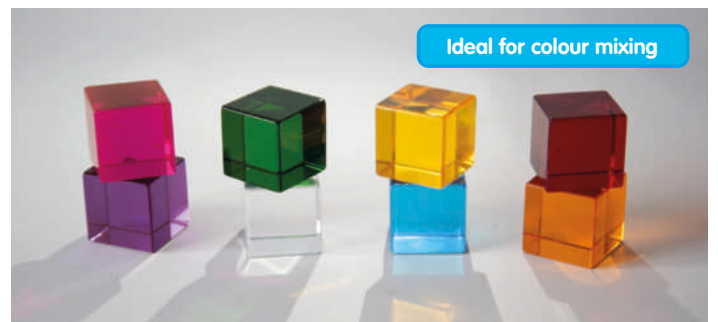

72608 Pk8

Smooth acrylic cubes which are intriguing to look through from different angles and when used in open construction play. Children will see the world in different colours and with a variety of squares and rectangles within the cube, an effect caused by internal reflection of the outer edges.

Size: 35mm.

Ideal for colour mixing

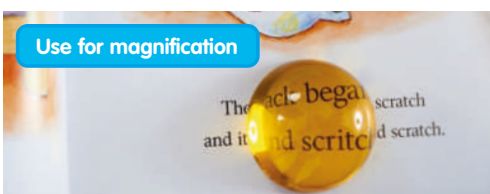

## Perception Cubes & Spheres

These beautiful award-winning sets have a crystal clear glass-like appearance but are made from safe smooth acrylic with polished faces, edges and corners. Suitable from birth upwards, the pieces are tactile and fascinating for babies to hold and look through, they can be used as windows or other creative features when used in imaginative play and are ideal for demonstrating colour mixing and light refraction. Each set contains 8 translucent colours, includes an information sheet in 4 languages and is supplied in a foam-lined box for convenient storage.

Use for magnification

## Perception Spheres

72602 Pk8

Smooth acrylic spheres which show a colourful, curved and distorted view when looked through. Place one of the spheres above an object or writing for captivating crystal clear or coloured magnification.

Size: 50mm dia.

Regular & irregular polygon shapes

## TickiT Rainbow Glitter Shapes

72622 Pk21

Sparkling colour glitter shapes in 7 colours. Each colour includes 3 versions of a polygon: irregular and regular, ideal for understanding simple geometry principles. The shapes are made from 3mm acrylic and can be used on a light panel. Each one comes with a 2.5mm hole at the top balance point so they can be strung up against a window or outdoors to create fascinating colour shape shadows.

Size of circle: 100mm dia.

## TickiT Splats

72397 Pk10

Fun splat shapes in 3mm acrylic. Includes primary and secondary translucent colours, clear, opaque black & white and a double-sided mirror. Ideal for exploring light, colour and shape. The shapes come with a 2.5mm hanging hole at the top balance point.

Size: approx. 150mm dia.

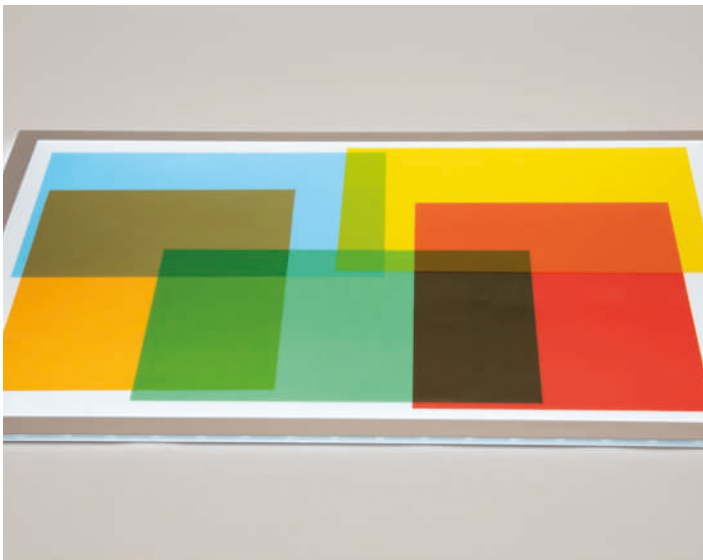

## TickiT Jumbo Colour Mixing Shapes

72395 Pk6

Giant translucent colour geometric shapes in 3mm acrylic. Ideal for shape and colour recognition, colour mixing and using as templates. Each shape comes with a 2.5mm hanging hole at the top balance point.

Size of circle: 200mm dia.

## TickiT Colour Acetate Sheets

48002 Pk5

A4 translucent colour acetate sheets, ideal for exploring colour-mixing and in craft. Use with mixed resources on a light panel or against a window.

Size: approx. 300 x 210mm.

## TickiT Translucent Colour Paddle Set

73109 Pk6

Jumbo translucent colour plastic paddles in primary and secondary colours, ideal for colour mixing and a good size for group work as well as individual exploration.

Size: 80mm dia.

# Early Years | Light & Colour

## Translucent Colour Play Sets

Ideal for learning about colour and exploring colour mixing, these robust plastic sets are easy to clean so great for indoor or outdoor play. The six bright translucent colours are the same in each set so they can be mixed and matched for extended play value.

18m+

**TickiT** ✓

### Translucent Colour Tweezers

73111 Pk12

Bright fun tweezers, great for exploring colour and an ideal size for children to manipulate. Includes plastic container for convenient storage.  
Size: 135mm.

18m+

**TickiT** ✓

### Translucent Colour Jug Set

73103 Pk6

The perfect size for children to use in explorative play with sand or water and to learn about measuring and volume. Capacity is 300ml, marked in 50ml increments on each jug. Dishwasher safe.

Size: 113 x 77mm dia.

12m+

**TickiT** ✓

### Translucent Colour Pot Set

73105 Pk18

Small stackable lidded pots, ideal for use in explorative play and as a stacking activity to engage logic and develop coordination. Includes plastic container for convenient storage.

Size: 57 x 42mm dia.

**NEW**  
**18m+**

**TickiT**  **Translucent Colour Sorting Bowls**  
73117 Pk6

Fun colour bowls, the perfect size for children to use in sorting activities and exploring colour.  
Size: 45 x 145mm dia.

**18m+**

**TickiT**  **Translucent Colour Bucket Set**  
73101 Pk6

Stackable colour buckets, the perfect size for children to use in explorative play with sand and water, or for colour mixing and matching. Volume is approx. 1.5L.  
Size: 122 x 162mm dia.

**18m+**

**TickiT**  **Translucent Colour Funnels**  
73113 Pk6

Fun colour funnels, the perfect size for children to use in explorative play with sand and water, for colour mixing and matching, and to experiment with volume.  
Size: 130 x 130 x 100mm.

# Early Years | Light & Colour

OVER  
600  
PIECES

**TickiT**  **Early Years Colour Resource Set**  
73099 Pk634

Includes activity guide in 7 languages and a plastic container for convenient storage. Size of largest brick: 64 x 32 x 24mm. Lace length: 600mm.

## Translucent Colour Resources

Brightly coloured translucent resources to provide a variety of interactive learning experiences with or without light panels and light sources. They are a versatile and cross-curricular selection, enabling children to develop learning skills in counting, sorting, pattern-making, geometry, attributes, threading, language, and creative construction.

APPROX  
500  
PIECES

**TickiT**  **Early Years Maths Resource Set**  
73095 Pk498

Includes activity guide in 7 languages and a plastic container for convenient storage. Size of largest cube: 48mm. Lace length: 600mm.

**TickiT** ✓

## Translucent Cube Set

73089 Pk54

Stacking cubes in 3 sizes and 6 colours, ideal for use on a light panel to explore attributes, for making towers or for sorting, pattern-making and sequencing activities.

Size of largest cube: 48mm.

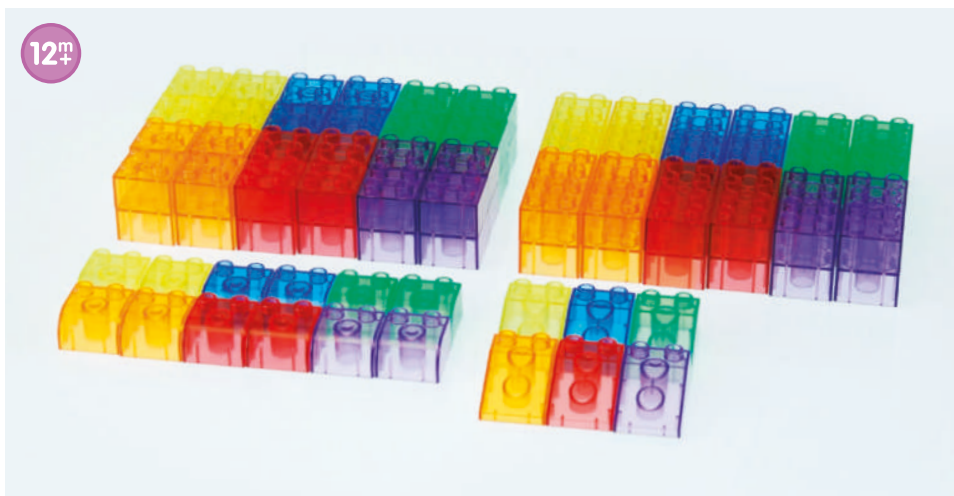

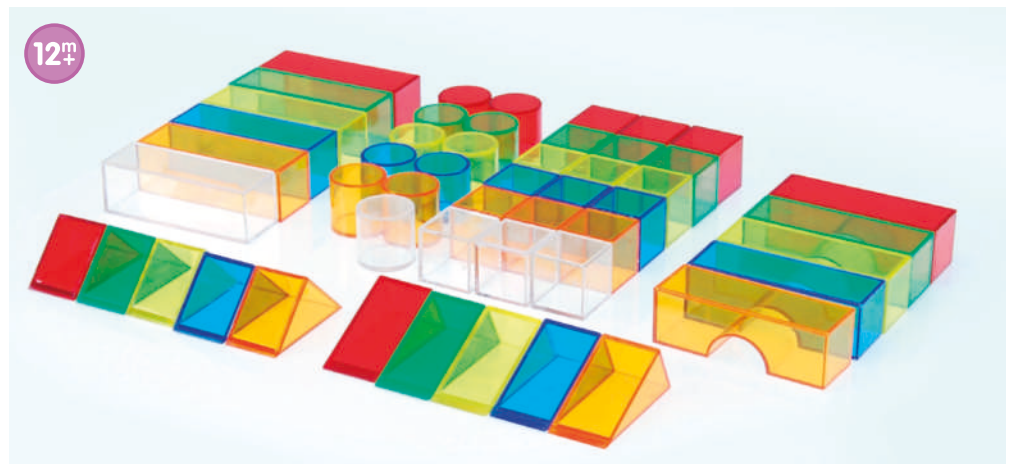

**TickiT** ✓

## Translucent Colour Blocks

73083 Pk50

Mixed building blocks in 6 colours and 6 shapes, including circular and rectangular pillars, triangular prisms, cubes and bridges. Includes plastic container for convenient storage.

Size of cube: 33mm.

**TickiT** ✓

## Translucent Module Blocks

73081 Pk90

Interlocking building blocks in 6 colours and 4 sizes, ideal for improving fine motor skills through imaginative play. Colourful constructions look even more striking when built on a light panel. Includes plastic container for convenient storage.

Size of largest brick: 64 x 32 x 24mm.

**TickiT** ✓

## Translucent Geometric Shapes

73075 Pk36

Geometric solids in 12 different shapes and 6 colours. Ideal for learning shape names and attributes using a light panel. Includes plastic container for convenient storage.

Size of cube: 50mm.

# Early Years | Light & Colour

## Translucent Hollow Pattern Blocks

73093 Pk180

Mixed pattern blocks in 6 shapes and 6 colours. Compatible with Basic Pattern Block Cards (53985) on p163. Includes plastic container for convenient storage. Size: approx. 20-50mm.

## Translucent Stackable Buttons

73071 Pk144 + 12 Laces

Mixed button shapes (star, circle, hexagon and square) in 6 colours with 1, 3 or 5 holes in the centre. Includes plastic container for convenient storage.

Size of square: 45mm. Lace length: 600mm.

## Translucent Lacing Geometrics

73087 Pk144 + 12 Laces

Geometric lacing counters in 12 shapes and 6 colours: circle, triangle, square, rectangle, rhombus, pentagon, hexagon, octagon, 5-point star, 9-point star, flower and heart. Includes plastic container for convenient storage.

Size: approx. 52mm dia. Lace length: 600mm.

## Translucent Jumbo Lacing Beads

73085 Pk180 + 12 Laces

Lacing beads in 6 shapes and 6 colours with 12 laces. Includes plastic container for convenient storage.

Size: approx. 20-30mm. Lace length: 600mm.

## Light & Colour | Early Years

**TickiT** ✓

### Translucent Stackable Counters

73091 Pk500

Smooth stacking counters in 6 colours that can be built into towers or used for counting, sorting, pattern-making and sequencing. Includes plastic container for convenient storage.

Size: 20mm dia.

Two sizes

Colour mixing

### **ed** Translucent Colour Counters

54113 Pk500

Clear round counters in 6 colours and 2 sizes, ideal for using on a light panel for counting, sorting, pattern-making and colour recognition activities. Includes plastic container for convenient storage.

Size: 19mm and 25mm dia.

### **ed** Translucent Colour Squares

54111 Pk300

Clear square tiles in 6 colours and 2 sizes, ideal for using on a light panel for counting, sorting, pattern-making and colour recognition activities. Includes plastic container for convenient storage.

Size: 19mm and 25mm.

## Sensory (Page 22-39)

Sensory play in the early years is an essential part of a child's development. Sensory products are fascinating for young children and can be used very effectively to stimulate interest and interaction in children with special educational needs.

## TickiT Sensory Mood Discovery Table

**75563** Sensory Mood Discovery Table

**75563D** Sensory Mood Discovery Table & Wooden Dividers Set

The colour-changing Discovery Table has a raised rim to the outside edge, creating an enticing area for learning through play and sensory exploration. The sturdy but lightweight design is beautiful as well as practical: easy to move between locations, quick to clean and ideal for individual focus work or collaborative play. Providing a soft coloured or white light which is adjusted using the remote control, the discovery area can be used for sorting and arranging objects, exploring different materials and substances (liquid, sand, jelly, foam) and makes the ideal base for imaginative small world play activities. British design & manufacture.

Size: 450 x 690mm dia. Depth of discovery area is 60mm.

### Features

- Remote control
- Rechargeable
- Universal power adaptor
- Low voltage
- Water resistant
- 16 colours & 4 modes

## TickiT Wooden Discovery Dividers

**73464**

A simple yet effective set of attractive birch plywood dividers that easily slot together to form a circular 6-way sorting circle. The set has been designed to fit inside the Sensory Mood Discovery Table for sorting whilst engaged in discovery play, but being portable and easy to use it can also be set up independently on a floor or table for free-play sorting, counting or pattern-making.

Size assembled: 50 x 646mm dia.

## TickiT Sensory Mood Water Table

75561 Sensory Mood Water Table

38075 Outdoor Cover

Our colour-changing sand & water table brings a whole new perspective to water exploration and sensory discovery. The shallow well can be used for water, jelly, foam, sand or translucent objects for exploring light and colour. The sturdy but lightweight design is beautiful and practical, easy to move indoors or outside, simple to clean and ideal for individual or group focused activities. Can be used with Outdoor Cover (38075) to keep contents clean and dry. British design & manufacture.

Size: 580 x 800mm dia. Well depth 185mm.

Use with Outdoor Cover 38075

### Sensory Mood Light Features

- Remote control
- Rechargeable
- Universal power adaptor
- Low voltage
- Water resistant
- 16 colours & 4 modes

## TickiTo Easy Hold Glow Panels

73456 Blue

73458 Green

73460 Orange

73454 Set of 3

New to our best-selling Easy Hold range, these beautiful rubberwood frames with easy grip handles contain fascinating glow in the dark panels. Activated by leaving in bright light, when taken into a dark den they magically glow in vibrant colours. Children will love to watch the glowing liquid swirl and flow as they twist and turn the panels. 15 minutes of sunlight will activate the panels to glow for approx. 6 hours.

Size: 185 x 120 x 20mm (insert 80mm dia.)

**TickiTV**

### Easy Hold Glitter Panels

73442 Purple

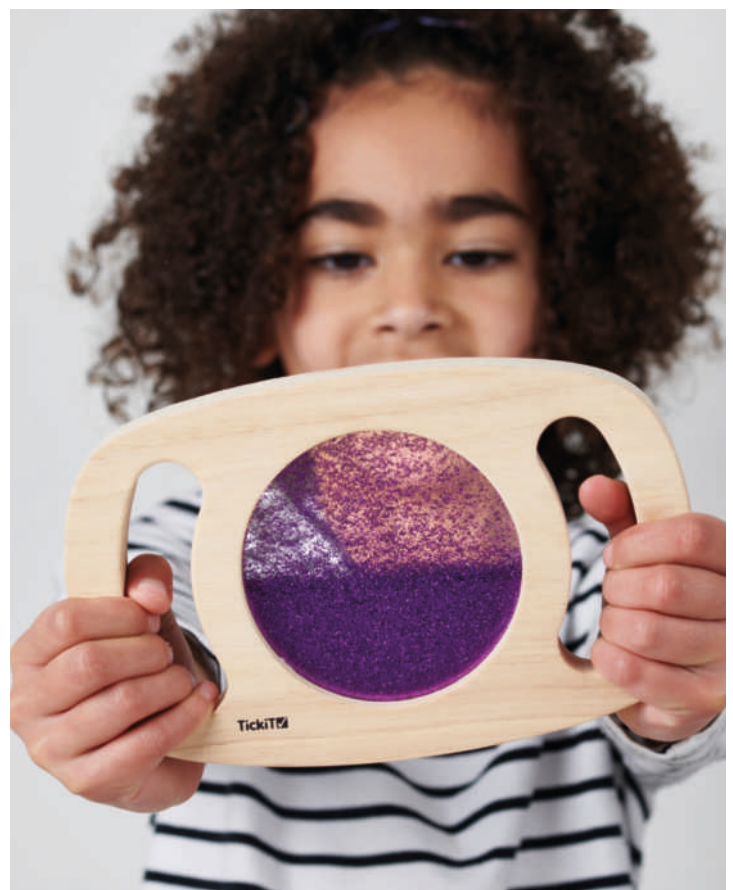

73444 Silver

73446 Gold

73440 Set of 3

Solid rubberwood frame with easy hold handles enclosing a panel of sparkling glitter, one in each colour - purple, silver and gold. The panels can be twisted and turned to make the glitter liquid move and flow in fascinating ways. Ideal for sensory discovery and broadening descriptive vocabulary.

Size of frame: 185 x 120 x 20mm (insert 80mm dia.)

## Sensory Reflective Resources

Made from robust stainless steel, our sensory reflective buttons and balls are highly durable, lightweight, smooth and compelling to handle. The hand finished shiny mirror surfaces provide fascinating distorted reflections. Ideal for sensory exploration, inspiring creative language, developing coordination and motor skills, for use in imaginative play or as a focal point for displays.

0<sup>+</sup>

**TickiT**

## Sensory Reflective Sound Buttons

72257 Pk3

Robustly constructed from stainless steel in mirrored gold, silver and colourburst finishes, these 3 smooth and seamless discus shaped buttons have different contents to produce a range of sound effects. The hand finished mirrored surfaces provide a distorted fish-eye lens reflection which is fascinating for children to observe. The buttons are lightweight and tactile to handle, making them of particular appeal to children with SEND.

Size: 65mm dia.

New & enhanced sounds

**TickiT**

## Wooden Sound Prisms

73277 Pk12

Our Wooden Sound Prisms have been redesigned with a wider variety of sound pairings and better sound quality. The set contains 6 pairs of beautiful hardwood triangular prisms, identifiable by matching sounds and colour coded musical note logos in 6 rainbow colours. The note symbol only appears at one end, so can be hidden by turning upside down to add an extra sensory challenge.

Size: 60 x 50mm.

### TickiT✓ Touch & Match Board

72101

12 tactile turned hardwood counters with differently textured inserts which match the surfaces on the board. Can be used as a memory game by turning the counters upside down, for extending descriptive language or for sensory stimulus.

Size of board: 220 x 170 x 35mm. Counters: 35 x 35mm dia.

### TickiT✓ Smell Pots

50301 Pk10

Set of plastic pots with holes in the lids, ideal for adding scented ingredients to encourage children to explore using their sense of smell.

Size: 80 x 40mm dia.

### TickiT✓ Percussion Set

85101 Pk16

A 16-piece set of percussion instruments in a zipped bag for convenient storage. Contains 2 wooden maracas, 2 wooden castanets, a wooden tambourine, a metal triangle and beater, 2 wooden claves, a wooden rhythm-clapper, a wooden single tone guiro and beater, 2 metal finger cymbals, a wooden shaker pot and a 13 bell wooden jingle stick. Size of tambourine: 153mm dia.

## Transparent Tactile Shells

72303 Pk108

Beautiful translucent colour seashells in 2 sizes and 6 colours with 6 different tactile surfaces. Children will love to touch and feel these shells, describing the differences and similarities as well as discovering the colours and colour-mixing opportunities they provide. Ideal to teach early number concepts such as sorting, matching, comparing, sequencing, patterning and counting. Set contains 36 large and 72 small shells with activity guide, supplied in a plastic container for convenient storage. Digital versions of the guide are available in Spanish and French. Size: 40mm and 54mm.

## Eco Friendly Tactile Shells

75150 Pk36

Composite (FPC), an agricultural waste product from rice stems and rice husks. Ideal for sensory exploration as well as sorting, sequencing and counting. The set contains 36 tactile shells, 2 of each in 6 different tactile finishes and 3 sizes.

Size: 40mm, 47mm and 54mm.

### FPC Features:

- Breaks down in the environment
- Zero pollution - reduced energy and water usage in manufacture
- Fully recyclable

NEW

## Tickit Wooden Treasures Touch & Match Set

73470 Pk36

A fun game set using our beautiful undyed beechwood treasures. Using the 12 different solid treasure shapes and 24 wooden discs printed with outlines that match each shape, a variety of memory and matching games can be played, using sight memory, touch memory and descriptive language.

We don't bleach our wood which highlights the varied features of the natural material.

Contents: 12 solid wooden treasures, 24 wooden discs, a cotton drawstring bag and activity guide in 8 languages.

Size of treasures: approx. 35-40mm.

Includes cotton bag

## TickiT SiliShapes® Sensory Circle Set

54517 Pk10

Textured discs made from flexible coloured silicone. Each of the 5 different pairs (1 large and 1 small in each pair) has matching colours and patterns on their surfaces, i.e. both of the green discs have a bristly texture. Children will enjoy discovering the different surface textures and developing their language skills by describing what they see and feel. Discs can be placed in the feely bag provided for identification by touch, using descriptive language or by matching to the large sensory circles placed on the floor. The silicone circles are strong, soft and grippy on any hard surface. They are easily cleaned in soapy water or in a dishwasher. Includes activity guide in 8 languages.

Size: 250mm dia. & 80mm dia.

## TickiT Blindfold Set

73972 Pk6

Double layered blindfolds in 6 different colours for a complete blackout to help children focus and concentrate. Elastic straps at the rear ensure one size fits all.

Size: 175 x 85mm.

## Sensory Liquid Sets

Highly attractive crystal clear sensory sets containing colourful ooze or sparkles. When shaken or turned upside down they provide different ways for the contents to move around. The sets will captivate and fascinate and are an ideal resource for quiet focus, as well as inspiring curiosity, developing creative language and understanding simple scientific principles.

### TickiT Sensory Glitter Storm Set

92104 Pk3

Large cylinders containing gold, silver and blue glitter in a water and glycerol based liquid. Turn them over to observe the sensory glitter storm. Made from high impact plastic.

Size: 140 x 50mm.

### TickiT Sensory Ooze Tube Set

92106 Pk3

Chunky cylindrical ooze tubes with thick gloopy jelly in blue, pink and green that slowly oozes and spirals to the bottom. Made from high impact plastic.

Size: 120 x 50mm.

### TickiT Sensory Jumbo Ooze Tube

92094

Large sensory liquid cylinder with thick pink gloopy jelly that oozes and spirals to the bottom. Made from high impact plastic.

Size: 200 x 80mm.

**TickiT** ✓

## Sensory Rainbow Glitter Balls Set

92098 Pk7

Red, silver, gold, green, blue, pink & purple glitter balls with attractive sparkling stardust which swirls around the inside of the balls as they are moved. Ideal for both boys and girls by creating a fascinating sensory experience to captivate the imagination and improve concentration.

Size: 65mm dia.

12m+

72207 Textured

12m+

72209 Irregular Bounce

## TickiT ✓ Sensory Flashing Ball Sets

72207 Textured (100mm) Pk4    72209 Irregular Bounce (80mm) Pk4

Balls that light up and flash when bounced, ideal in open play or a sensory area. The textured balls each have different surface textures, and the irregular bounce balls will hop and deflect at odd angles when they hit the floor. LEDs last approximately 1200 flashing cycles.

## TickiT Discovery Ball Activity Set

72447 Pk18

A sensory activity set containing 9 pairs of differently tactile colourful balls in a black feely bag. The set will encourage sensory exploration and is ideal for child-led learning activities. The bag has a soft, velvet touch finish with fold over top and is machine washable. Includes activity guide in 8 languages. Size of balls: approx. 55mm dia. Size of bag: 340 x 300mm.

## TickiT Sensory Ball Pack

72446 Pk20

A selection of 20 balls with different textures, colours, density and bounce properties. Selected by our primary and pre-school specialists. Supplied in a black feely bag.

Size of large ball: 75mm dia. Small ball: 50mm dia.

## TickiT Sensory Meteor Ball

74056 Pk7

A large colourful textured ball with 6 smaller balls which fit into craters around the surface. An unusual and stimulating resource which can be used with infants to explore actions, reactions, and motor skills; or within a small group of toddlers to encourage conversation and develop hand-eye coordination. The small balls have differently textured surfaces and can be removed and used separately.

Size: approx. 185mm dia.

## TickiT Sensory Texture Balls

74058 Pk6

A set of differently textured balls, the ideal size for small hands to handle. The surface textures are fun to examine and describe, and the set can be used on its own, as an additional set for the Sensory Meteor Ball, or as part of a wider sensory exploration activity.

Size: 60mm dia.

## Motor Skills (Page 40-55)

Working gross and fine motor skills improves the whole body's strength and encourages concentration, helping to keep children active and healthy.

**TickiT** ✓

## Constellation Ball

75045

A large, clear inflatable ball with colourful beads inside. Great for gentle controlled physical play, where children can roll or pass the ball to each other. Also ideal for quiet periods, improving focus and concentration. Includes bicycle pump adapter. Size: 350mm dia.

**TickiT** ✓

## Tactile Balls

72448 Pk6

Six differently textured soft plastic balls the ideal size to enable toddlers and young children to hold and squeeze, roll and throw, or examine them to discover their differences. Can also be used for pattern-making in sand play.

Size: approx. 110-120mm dia.

**TickiT** ✓ **Odd Balls Set**

75043 Pk4

A set of four inflatable balls in distinctive and unusual shapes - a purple polysided shape, a blue ovoid, a clear spiky ball and a green pyramid. Great for throwing, catching, rolling and bouncing as the irregular shapes make them move in unpredictable directions, challenging expectations and coordination. Includes bicycle pump adapter.

Size of clear ball: 200mm dia.

**TickiT** ✓ **Easy Grip Balls Set**

75041 Pk4

A set of four colourful inflatable soft balls with special honeycomb surfaces. Will help children gain confidence in catching as the textured surface aids easy grip. Includes bicycle pump adapter.

Size: 250mm.

# Early Years | Gross Motor Skills

## TickiT Mini Trampoline

75542

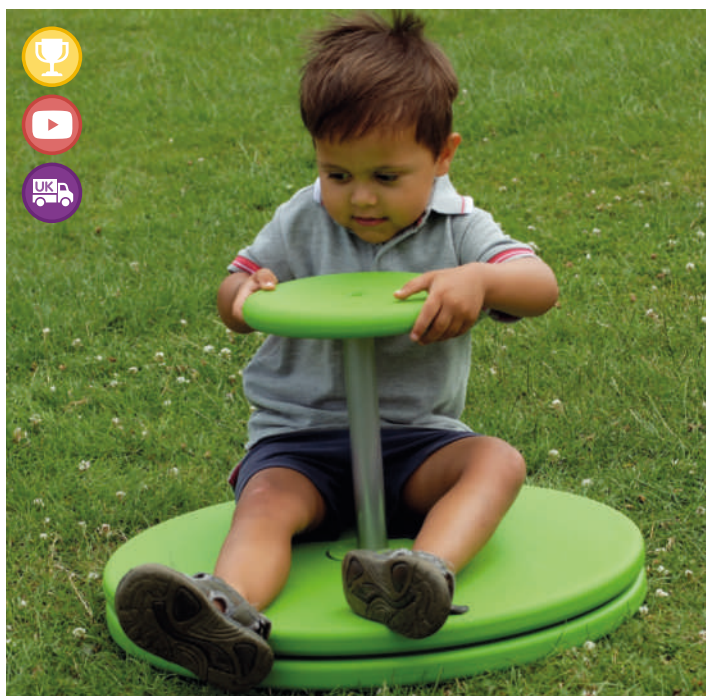

Ultra strong mini trampoline with support bar made from tubular steel, reinforced springs and nylon padded skirt to stand the test of time. Max weight capacity 25kg. Includes assembly instructions. Size: 930mm dia. Approx. 800mm high.

## TickiT Basketball Stand

75530

Designed for primary and pre-school children to improve hand-eye coordination and provide a challenging and reachable goal. Includes assembly instructions. Size: 860mm high. Hoop: 400mm dia.

## ed4 Whizzy Dizzy

75090

Promoting healthy activity indoors and out. Can be used to improve a child's hand-eye coordination and to help develop gross motor skills. Max weight 45kg. Includes assembly instructions.

Size: 300 x 550mm dia.

## Trace & Balance

76081

A wobble board with 4 wooden balls. By standing on the board and placing their feet in the foot prints, children should use their balance and core muscles to roll the ball through the trail paths.

Size: 450 x 300 x 50mm.

## edX Colour Bean Bags

53359 Pk4

Plain square bean bags in 4 bright colours.  
Size: 120mm.

## edX Colour Name Bean Bags

53965 Pk8

Square bean bags marked with colour names. 8 colours.  
Size: 100mm.

## edX Shape Bean Bags

72237 Pk12

2D shaped bean bags, each printed with its name and shape outline. 4 shapes & 4 colours.  
Size: approx. 130mm.

## edX Alphabet Bean Bags

53963 Pk26

Square bean bags, each printed with a lower and upper case letter of the alphabet. 5 colours.  
Size: 100mm.

## edX Number & Dot Bean Bags

72235 Pk10

Square bean bags, each printed with numbers 1-10 and their matching dots. 5 colours.  
Size: 100mm.

Horizontal

## TickiT Giant Catch Net

75536

This versatile net is designed to stand either horizontally or vertically so it can be used for both throwing and kicking games. Made from powder coated tubular steel, it features a press-stud fitted close mesh net that can be removed and washed, and pop-stud fitted legs for easy storage.

Size: 680 x 840mm. Hoop: 820mm dia.

Vertical

## edX Joey Jump Bean Bag Game

54115

A pivoted sturdy plastic platform for launching bean bags into the air ready to catch. Great for hand-eye coordination and gross motor skills. Placing both bean bags on the platform at the same time increases the difficulty level, or makes it a game for two players. Includes 2 bean bags.  
Size of platform: 700mm.

# Early Years | Gross Motor Skills

## **edk** Streamers

**72230 Pk6**

Children will develop gross motor skills whilst inventing their own creative movements with these streamers. 6 colours - red, blue, yellow, purple, orange & green.

Size of streamer: 3m x 50mm. Stick: 300mm.

## **edk** Dancing Ribbons

**74596 Pk6**

6 strong woven nylon hand straps, each with 6 strands of long colourful ribbon. Ideal for music and movement, coordination and physical play.

Size of ribbon: 1m.

## **edk** Balancing Ball Set

**72231 Pk12**

This set of 6 balance handles and 6 balls is a great addition to any collection of physical play resources.

Size of handle: 330mm. Ball: 60mm dia.

## **edk** Ankle Hoops

**72314 Pk6**

An ideal game for developing jumping skills and coordination. 6 bright colours.

Size of hoop: 160mm dia. Flex: 600mm.

18m+

## Hand Marks

53364 Pk12

Six pairs of hands in six colours with textured surfaces. Made from non-slip soft plastic.

Size: approx. 145 x 145mm.

## Foot Marks

53372 Pk12

Six pairs of feet in six colours with textured surfaces. Made from non-slip soft plastic.

Size: approx. 100 x 200mm.

## Traffic Sign Set

72229 Pk6

Excellent for road safety, traffic awareness and role play. Easy to assemble and pack away. Can be used indoors and outside.

Size: 700mm.

18m+

## Go Wheelie

72444

A great way of encouraging children to give and follow directions as well as develop coordination and muscle control. Size of wheel: 180mm dia. Overall height: 620mm.

# Early Years | Gross Motor Skills

18m+

## edX Step-a-Forest

74604 Pk22

Tree-themed stepping blocks with non-slip surfaces, a great addition to any physical play collection. Perfect for developing balance, coordination and collaborative play skills.

Contains 6 stumps (288mm), 2 Y-shaped logs (460mm), 8 straight logs (480mm) and 6 leaves (265mm) in two zipped bags for convenient storage.

## edX Step-a-Logs

72227 Pk6

Stepping logs with ribbed surfaces to help prevent slipping. The logs are connected with ropes for adjusting distances between steps to increase or decrease difficulty.

Size: 100 x 500 x 100mm.

## edX Balancing Path

75080 Pk28

Detachable blocks in 6 colours which can be slotted together using the 4 connectors to form a variety of walking paths.

Size of straight blocks: 290 x 100 x 50mm.

## edX Step-a-Stones

53899 Pk6

Sturdy plastic stones with non-slip surfaces, connected with ropes for adjusting distances between steps.

Size: 130 x 230mm dia.

## Wooden Treasures Touch & Match Set

73470 Pk36

A fun game set using our beautiful undyed beechwood treasures. Using the 12 different solid treasure shapes and 24 wooden discs printed with outlines that match each shape, a variety of memory and matching games can be played, using sight memory, touch memory and descriptive language.

We don't bleach our wood which highlights the varied features of the natural material.

Contents: 12 solid wooden treasures, 24 wooden discs, a cotton drawstring bag and activity guide in 8 languages.

Size of treasures: approx. 35-40mm.

## Wooden Sorting Fruit & Vegetable Crates

74011 Pk27

5 stackable wooden crates filled with 20 individual hemu wood fruit and vegetable pieces with hand painted details, colour coded to match their crates. Each crate contains 2 fruits and 2 vegetables with threading holes. Set includes 2 laces with wooden threaders and stops.

Each crate: 100 x 150 x 74mm. Size of watermelon: 100mm. Length of thread: approx. 900mm.

Stackable

## Early Years | Fine Motor Skills

### **TickiT** **Wooden Lacing Fruits**

**74015 Pk24**

21 colourful wooden fruits with beautiful hand painted detailing. The large chunky hemu wood pieces are easy for small hands to manipulate. Excellent for sorting, matching, sequencing and to promote discussions about healthy eating. The set comes with 3 laces which have wooden threaders and stops, ideal for promoting hand-eye coordination and sequencing skills. There are 3 each of 7 different fruits.

Size of watermelon: 100mm. Length of thread: approx. 900mm.

### **edX** **Giant Lacing Buttons**

**53371 Pk54**

An excellent resource for supporting physical development and mathematics. 44 buttons in 5 sizes and 5 colours, with 6 coloured laces and 4 smile-head laces.

Size of buttons: 35-75mm. Lace lengths: approx. 550-770mm.

### **edX** **Assorted Large Buttons**

**75102 Pk90**

A colourful assortment of large buttons. Ideal for threading, sorting and sequencing.

Size: 41-50mm dia.

## **edA** Giant Wooden Lacing Beads

53365 Pk24

Good for developing manipulative skills and encouraging early mathematical understanding. 24 beads in 3 shapes and 4 colours with 2 laces.

Size of beads: 45mm. Lace length: approx. 900mm.

## **TickiT** Wooden Lacing Shapes

73426 Pk4

Four beechwood blocks with holes and laces with wooden threader, ideal for developing manual dexterity and hand-eye coordination. Includes cylinder, cube, triangular prism and octagonal prism.

Size: approx. 60 x 65mm.

## **edA** Large Wooden Lacing Beads

53366 Pk108

These beads are ideal for developing fine motor skills, counting, sequencing and colour recognition. 108 beads in 3 shapes and 6 colours with 2 laces.

Size of beads: 22mm. Lace length: approx. 900mm.

## **edA** Wooden Attribute Beads

54023 Pk144

Large set of wooden lacing beads in 3 sizes, 4 shapes and 6 colours with two 550mm laces. Includes plastic container for convenient storage.

Size of large square: 24mm. Lace length: approx. 550mm.

# Early Years | Fine Motor Skills

## Activity Wall Panels

**76023 Crocodile** Size: 1870mm long

**76083 Aeroplane** Size: 1800mm long

Activity wall panels in five sections, each designed with a different set of manipulative activities to encourage hand-eye coordination and fine motor skills. The various elements include: magnetic pen and balls, mazes and threading activities, rotational pieces and interlocking cogs, percussion sounds, a clock (aeroplane) and a mirror (crocodile). Each set contains 5 panels with fixing holes and attachment screws for easy wall fitting. Made from MDF and recommended for indoor use only.

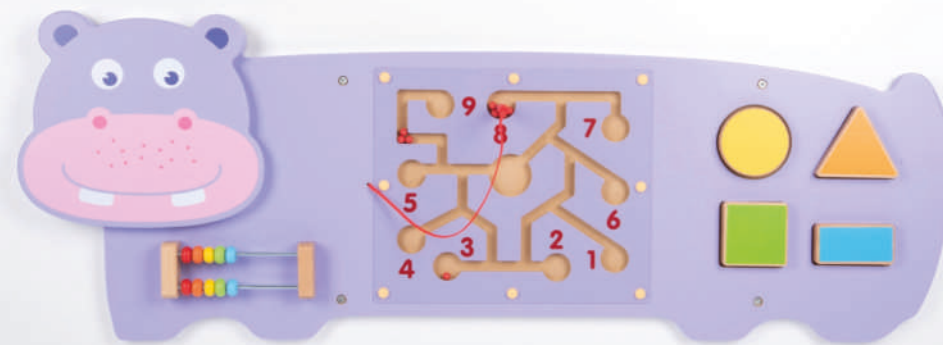

## Activity Wall Panels Set

76089 Pk3

Set of wall activity panels to engage children in cross-curricular learning. Panels are styled as a brown horse with wire beads and moving gears, a yellow giraffe with fruit puzzle blocks to mix and complete, and a black and white zebra with colourful shapes to identify and match. Includes fixing screws. Made from MDF and recommended for indoor use only.

Size of each panel: 360 x 550 x 35mm.

## Hippo Activity Wall Panel

76027

Wooden wall panel with a cheerful hippo face, magnetic shape sorters, abacus beads and a magnetic number maze. Excellent for the development of hand-eye coordination, fine motor skills, problem solving and encouraging communication. Includes fixing screws. Made from MDF and recommended for indoor use only.

Size: 910 x 320 x 45mm.

## Bear Activity Wall Panel

76029

Wooden wall panel with a happy bear face, rotating cogs, mirror, bolt and screw feature and a magnetic maze. Excellent for the development of hand-eye coordination, fine motor skills, problem solving and encouraging communication. Includes fixing screws. Made from MDF and recommended for indoor use only.

Size: 910 x 320 x 45mm.

# Early Years | Fine Motor Skills

## TickiT Translucent Colour Tweezers

73111 Pk12

Bright fun tweezers, great for exploring colour and an ideal size for children to manipulate. Includes plastic container for convenient storage.

Size: 135mm.

## Jumbo Links

53977 Pk200

Jumbo links in 4 bright colours, good for sorting, counting and patterning. The design is suitable for small hands to connect and separate.

Size of link: 73 x 50mm.

## Tweezers

75088 Pk12

Chunky tweezers in 6 assorted colours. Includes plastic container for convenient storage.

Size: 117 x 47 x 24mm.

## Small Pegs

75118 Pk30

Small pegs in 5 bright colours. Develop fine motor skills by squeezing the pegs together to make patterns and structures.

Size: 60mm.

## Nuts & Bolts

72255 Pk32

Giant colour coded plastic nuts and bolts, easy to hold and manipulate and excellent for developing hand-eye coordination and manipulation skills. 4 shapes & 4 colours, supplied in a plastic container for convenient storage. Size: 60mm.

## TickiT Rainbow Wooden Nuts & Bolts

74001 Pk7 73999 Pk21

Beautiful solid beechwood nuts and bolts in seven different shapes and in the seven colours of the rainbow. Each nut has a corresponding matching bolt for pairing by colour and shape, and each shape has a different number of edges, increasing from 1 to 8. The chunky pieces are the ideal size for young children to manipulate and come in a natural finish to show the grain of the wood. Perfect for learning about colour and shape, for supporting counting and early numeracy, as well as improving manual dexterity and fine motor strength. Includes cotton bag. Size: 65mm.

## TickiT Rainbow Wooden Shape Twister

74003

Beautiful solid beechwood giant bolt with seven nuts in different shapes and in the seven colours of the rainbow. Each bolt shape has a different number of edges, increasing from 1 (circle) to 8 (octagon). Perfect for learning about colour and shape as well as improving manual dexterity and fine motor strength. The colours match our Rainbow Wooden Loose Parts and Rainbow Architect Sets, ideal for extended imaginative play. Size: bolt approx. 200mm. Nuts approx. 50mm dia.

73496 Pk10

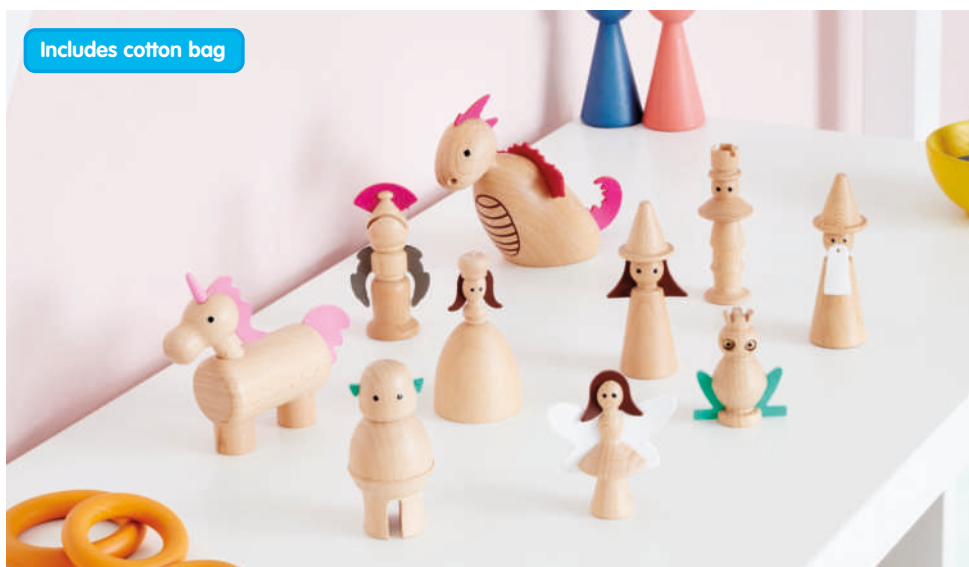

Fun, detailed solid beechwood characters from traditional fairy tales and stories. With faux leather detailing in a range of bright colours, the set is ideal for inspiring story-telling, using descriptive language, encouraging imaginative play and developing fine motor skills.

The set includes a king, queen, witch, wizard, fairy, knight, dragon, unicorn, frog prince, ogre and a cotton drawstring storage bag.

For extended play, our Wooden Enchanted Figures complement the other sets in our growing wooden imaginative play range: Wooden Community Figures (74009), Woodland Trees (74013), Wooden Animal Friends (73472) and Wooden Space Adventure (73476).

Size: dragon approx. 140mm. Frog approx. 55mm.

Includes cotton bag

## TickiT Wooden Space Adventure

73476 Pk10

Made from solid beechwood with intricate lasered detailing, our beautiful new space set will inspire children to use and develop descriptive language, engage in imaginative play and learn more about the fascinating mysteries of space travel. The lasering creates a brown pattern in the wood to show the different features. The telescope contains a spy hole - great for focusing on small objects, promoting concentration and observation.

The set includes an astronaut, rocket, alien, spaceship, telescope, orbiting satellite, satellite dish, the Earth, our moon, a ringed planet and a drawstring cotton bag.

For extended play, the Wooden Space Adventure complements the other sets in our growing wooden imaginative play range: Wooden Community Figures (74009), Woodland Trees (74013) and Wooden Animal Friends (73472).

Size of rocket: 100mm.

## TickiT Wooden Solar System Discs

73482 Pk11

Smooth and tactile plywood discs, colour printed on one side with beautiful clear photo realistic illustrations of our sun, Mercury, Venus, Earth, our moon, Mars, Jupiter, Saturn, Uranus, Neptune and Pluto. The reverse is clearly printed with the name, diameter, average temperature and distance from the sun. The chunky discs are easy for children to grip, rotate, turn over and to stand upright. There is also a hanging hole for suspending the discs like a solar system mobile. This versatile set provides a wonderful opportunity for learning more about our amazing solar system. The images show clear details and features - perfect for discussion and improving space knowledge. Children will enjoy playing whilst developing several aspects of learning, including descriptive language, exploring mathematical language, collaborative play, fine motor skills, imaginative play and understanding the world. Includes an informative colour printed guide in 8 languages and an A3 solar system colour poster. Size of sun: 110mm dia.

## Construction (Page 71-84)

Wooden and acrylic blocks, colourful rainbow bricks, plastic interlocking blocks and mirrored block sets are all included in our construction range to provide a versatile selection of building and creating resources for children.

## Rainbow Block Set

73275 Pk24

Smooth rubberwood blocks in 6 shapes and with 4 different transparent coloured acrylic inserts for building, comparing, shape recognition, colour mixing and for use on a light panel.

These are the same size as the Mirror Blocks below, so form a natural extension to this set.

Size of rectangle: 100 x 50 x 25mm.

12m+

**TickiT** ✓

## Mirror Block Set

73378 Pk24

Smooth rubberwood shapes with double-sided acrylic mirror inserts. Made to promote simple shape recognition, early tactile hands-on construction and curiosity.

These are the same size as the Rainbow Blocks above, so form a natural extension to this set.

Size of rectangle: 100 x 50 x 25mm.

# Early Years | Construction

## TickiT Rainbow Bricks

73380 Pk36

Giant visually stunning stacking bricks made from beautiful rubberwood with colourful acrylic inserts (translucent red, green, blue, yellow, clear and mirror). The set includes 24 large and 12 small bricks with rounded corners, ideal for building and balancing. Children will enjoy looking through the blocks to see a world in different colours, and using the mirrored blocks to examine reflection and expression.

Size of large brick: 200 x 75 x 75mm. Size of small brick: 100 x 75 x 75mm.

## TickiT Sensory Squares

73287 Pk7

7 beautiful rubberwood sensory squares promoting observation and exploration for the younger child. The acrylic inserts are translucent red, yellow, green and blue, a magnifier, plane mirror & concave/convex mirror.

Size: 140 x 30mm.

18m+

## TickiT SiliShapes® Soft Bricks

54515 Pk24

Made from soft and flexible silicone these colourful translucent bricks are perfect for young children and toddlers. They can be used for construction, early maths activities, sand and water play, small world play and are ideally suited for play on a light panel. The set consists of simple 2-stud bricks which can easily be cleaned after use in soapy water or in a dishwasher. Includes activity guide.

Size of brick: 75 x 37.5 x 25mm.

Flexible

## edx 2cm Linking Cubes Classroom Set

54009 Pk546

Easy to connect cubes with double-sided activity cards providing construction and maths challenges. Includes ideas for creative construction, learning about shape and space, and exploring pattern and sequence. Also ideal as a maths manipulatives set - see page 148 for details. Set includes 500 blocks in 10 bright colours, comprising 400 cubes, 50 triangles & 50 quadrants, as well as 4 base boards and 42 x 2-sided activity cards in a plastic container for convenient storage.

Size of cube: 20mm.

## Translucent Linking Discs

73107 Pk510

Colourful octagonal discs in two sizes with notches for interlocking and a central hole suitable for threading. Use to create abstract or symmetrical structures, for sorting and pattern-making, to develop fine motor skills and encourage logical thinking. 6 different colours and supplied in a plastic container for convenient storage. Size: 120 large discs, 63mm dia. and 390 small discs, 38mm dia.

## edX Skeletal Geo Kit - Starter Set

54049 Pk164

Construction set to develop creative problem-solving and improve fine motor skills. Build 2 & 3 dimensional structures and introduce basic geometric shapes. Contains 80 sticks in 4 sizes and 4 colours, 40 connecting balls in 2 colours, 24 quarter circles, and 20 double-sided activity cards. Includes plastic container for convenient storage. Size of long stick: 130mm.

## edX Junior GeoStix®

75130 Pk220

Improve fine motor skills and develop creative thinking skills with this construction set. Flexible plastic sticks in 8 different sizes snap together to create a range of pictures, shapes and patterns. An ideal hands-on resource for children and adults. The set includes 200 sticks, 20 x double-sided activity cards and activity guide (also available digitally in Spanish & French) in a plastic container for convenient storage.

Size: 25-150mm.

## Loose Parts & Heuristic Play (Page 85-100)

The open-ended nature of heuristic play and loose parts play means that all children can explore and investigate in their own way, using these open-ended flexible resources to apply their own creative ideas and continually build on their own experiences.

# Early Years | Heuristic Play

## TickiT✓ Heuristic Play Starter Set

73935 Pk63

Beechwood set containing 10 x rings 70mm, 10 x rings 48mm, 6 x cubes 40mm, 10 x egg cups, 10 x spools, 10 x balls 50mm, 3 x bowls 70mm, 3 x bowls 92mm and 1 x ring stand base. Includes cotton bag and activity guide in 8 languages.

TickiT✓

## Heuristic Play Basic Set

73937 Pk20

Beechwood set containing 1 each of the following: ball 50mm, ball 60mm, wheel 40mm, wheel 50mm, cube 40mm, cube 50mm, egg cup 63mm, egg cup 70mm, bowl 70mm, bowl 92mm, ring 48mm, ring 56mm, ring 70mm, napkin ring, semisphere, disc, barrel, conical figure, spool and onion top. Includes cotton bag and activity guide in 8 languages.

10+

The word heuristic derives from the Greek word "eurisko" meaning "I discover" and describes an intuitive way of meeting challenges and solving problems. Our range of beechwood heuristic play resources provides an opportunity to capitalise on toddlers' curiosity about the objects that make up the world around them and provides valuable opportunities for extending children's learning. The open-ended nature of heuristic play encourages children to explore and investigate in their own way, applying their own creative ideas and building on their own experiences.

## Exploration & Mirrors (Page 101-119)

Exploring and investigating is what children naturally love to do, and being able to provide a variety of fun and safe resources to allow them to accomplish this, is key to any constructive learning environment.

## TickiT Sensory Mood Discovery Table

**75563** Sensory Mood Discovery Table

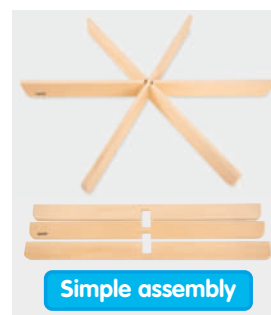

**75563D** Sensory Mood Discovery Table & Wooden Dividers Set

The colour-changing Discovery Table has a raised rim to the outside edge, creating an enticing area for learning through play and sensory exploration.

The sturdy but lightweight design is beautiful as well as practical: easy to move between locations, quick to clean and ideal for individual focus work or collaborative play. Providing a soft coloured or white light which is adjusted using the remote control, the discovery area can be used for sorting and arranging objects, exploring different materials and substances (liquid, sand, jelly, foam) and makes the ideal base for imaginative small world play activities. British design & manufacture.

Size: 450 x 690mm dia.

Depth of discovery area is 60mm.

Simple assembly

## TickiT Wooden Discovery Dividers

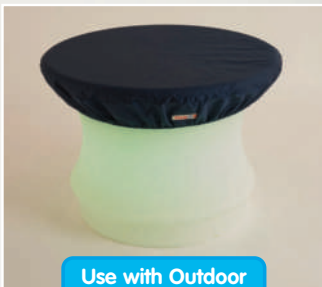

**73464**

A simple yet effective set of attractive birch plywood dividers that easily slot together to form a circular 6-way sorting circle. The set has been designed to fit inside the Sensory Mood Discovery Table for sorting whilst engaged in discovery play, but being portable and easy to use it can also be set up independently on a floor or table for free-play sorting, counting or pattern-making.

Size assembled: 50 x 646mm dia.

Use with Outdoor Cover 38075

## Features

- Remote control
- Rechargeable
- Universal power adaptor
- Low voltage
- Water resistant
- 16 colours & 4 modes

## TickiT Sensory Mood Water Table

75561 Sensory Mood Water Table

38075 Outdoor Cover (800mm dia.)

Our colour-changing sand & water table brings a whole new perspective to water exploration and sensory discovery. The shallow well can be used for water, jelly, foam, sand or translucent objects for exploring light and colour. The sturdy but lightweight design is beautiful and practical, easy to move indoors or outside, simple to clean and ideal for individual or group focused activities. Can be used with Outdoor Cover (38075) to keep contents clean and dry.

Size: 580 x 800mm dia. Well depth 185mm.

38070 Clear Trays

38075 Outdoor Cover (800mm dia.)

A perfect environment for exploration and investigation at an ideal height for children. Both sets contain 4 quadrant trays in a 4-legged sturdy metal stand. All 4 legs have micro-adjusters in the feet for use on uneven surfaces.

Size: 460mm high. Circle: 800mm dia. Tray: 540 x 380 x 150mm.

### ed& Circular Water Tray & Stand

72258

Beautifully designed versatile clear water tray with central helter-skelter for use as a water channel and an outer trough which together stimulate imaginative play. Made from tough clear plastic with powder coated tubular steel support frame, it includes a drainage valve and plastic lid.

Size: 580 x 750mm dia.

## **ed&** Clear Sand & Water Tray with Stand

**72330**

Clear tray in a folding sturdy steel frame with a nylon shelf and two castors to allow easy movement around the classroom or outdoors.

Size: 700 x 500 x 580mm.

## **ed&** Colour Sand & Water Trays

**53901 Pk4**

Stackable sand and water trays are ideal for early years settings and classrooms with limited space. Set of 4 in blue, yellow, red and green.

Size: 700 x 500 x 150mm.

## **ed&** Clear Sand & Water Tray

**72248**

Clear plastic sand and water tray, ideal for early childhood settings with limited space.

Size: 700 x 500 x 150mm.

# Early Years | Exploration

## edX Clear Water Tray Sets

**72300** Clear Water Tray with Activity Rack

**72308** Activity Rack only

**75096** Tray with 40cm stand

**72263** Tray with 58cm stand

A set combining our clear sturdy water tray on a lightweight stand with an activity rack for hanging utensils - ideal for exploring sand and water activities.

The strong purpose-moulded tray sits in a blue tubular steel frame with lockable casters to allow easy movement.

A sturdy lid with holes for lifting is provided to keep the contents clean and the drain plug allows easy emptying. The activity rack is designed to fit securely on the back of the water tray. It has a wire grid for threading pipes or tubes, as well as hooks on the side and the top to hang buckets, jugs, watering cans, and spray bottles (available separately, see p107).

Size of tray: 1100 x 605 x H215mm. Stand height: 580mm  
Size of rack: 1270 x 730mm.

## edX Sand & Water Tray & Stand

**72301**

Ultra strong, purpose-moulded semi-opaque sand and water tray with lightweight black tubular steel frame. With lockable castors, drainage hole and plug.

Ideal for use with Water Play Activity Rack (72308) and Sand & Water Activity Pack (72299) which can be purchased separately.

Size of tray: 1100 x 605 x 215mm. Overall height: 580mm.

## **edX** Sand & Water Activity Set

**72299**

Large activity set comprising: Sand & Water Play Funnel, Water Blaster Pipette Set, Water Play Spray Bottle, Water Play Pump Bottle, Plastic Hoses, Sand & Water Play Jug Set, Spoon Set & Cups Set.

Colour of components may vary.

## **edX** Water Blaster Pipette Set

**72242 Pk3**

Designed for young children with a soft squeeze ball. Extremely durable for long lasting fun. Colour may vary. Size: 35 x 225mm.

## **edX** Sand & Water Play Funnel

**72246**

Made of durable plastic with a large handle for young children, the funnel is a great addition to sand and water play activities. Size: 105 x 65 x 140mm.

## **edX** Sand & Water Play Jug Set

**72244 Pk3**

Three different sized pouring jugs made of flexible high impact plastic.

Size: 250ml, 500ml & 1000ml.

## **edX** Water Pump Bottle

**72295**

The pump bottle can be locked closed for safe storage. Size: 155mm.

## **edX** Water Spray Bottles

**72294**

The spray bottle has a blue adjustable nozzle. Size: 170mm.

## **edX** Measuring Cup Set

**53873 Pk5**

Freestanding measuring cups.

Size: 29.5ml, 59ml, 79ml, 118ml, 236ml.

18m+

**TickiT** ✓

## Translucent Colour Funnels

73113 Pk6

Fun colour funnels, the perfect size for children to use in explorative play with sand and water, for colour mixing and matching, and to experiment with volume.

Size: 130 x 130 x 100mm.

## Translucent Colour Play Sets

Ideal for learning about colour and exploring colour mixing, these robust plastic sets are easy to clean so great for indoor or outdoor play. The six bright translucent colours are the same in each set so they can be mixed and matched for extended play value.

18m+

## TickiT ✓ Translucent Colour Bucket Set

73101 Pk6

Fun stackable colour buckets, the perfect size for children to use in explorative play with sand and water, or for colour mixing and matching. Volume is approx. 1.5L.

Size: 122 x 162mm dia.

18m+

## TickiT ✓ Translucent Colour Jug Set

73103 Pk6

The perfect size for children to use in explorative play with sand or water and to learn about measuring and volume. Capacity is 300ml, marked in 50ml increments on each jug. Dishwasher safe.

Size: 113 x 77mm dia.

NEW

18m+

## TickiT Translucent Colour Sorting Bowls

73117 Pk6

Fun colour bowls, the perfect size for children to use in sorting activities and exploring colour.

Size: 45 x 145mm dia.

12m+

## TickiT Translucent Colour Pot Set

73105 Pk18

Small stackable lidded pots, ideal for use in explorative play and as a stacking activity to engage logic and develop coordination. Includes plastic container for convenient storage.

Size: 57 x 42mm dia.

18m+

## TickiT Translucent Colour Tweezers

73111 Pk12

Bright fun tweezers, great for exploring colour and an ideal size for children to manipulate. Includes plastic container for convenient storage.

Size: 135mm.

# Early Years | Exploration

## TickiT Rainbow Magnifiers

61096 Pk6

A set of brightly coloured hand magnifiers, ideal for investigating bugs, leaves and patterns in nature. 3x magnification.

Size: 162 x 16 x 80mm dia.

## TickiT Rainbow Viewers

61094 Pk6

A set of observation pots with a magnifier in the brightly coloured push on lids. Ideal for investigating natural resources up close. 3x magnification.

Size: 60 x 80mm dia.

## TickiT Rainbow Tongs

61092 Pk6

Brightly coloured scoops with scissor handles for safely capturing, holding and inspecting insects or plants.

Size: 180 x 50 x 35mm.

## TickiT Rainbow Exploration Kit

61100 Pk18

Bumper set of colourful exploration tools, including the Rainbow Magnifiers, Rainbow Viewers and Rainbow Tongs (shown above).

## TickiT Wooden Discovery Boxes

73462 Pk3

Three beautifully constructed beechwood trays with clear acrylic sliding lids. The trays are divided into 3, 6 and 8 sections which can be used for sorting and display. Ideal for collecting natural resources or organising counters or tokens by colour or shape. Ideal for using with our Rainbow Wooden Treasures or Crystal Treasures.

Size: 375 x 160 x 63mm.

## TickiT Wooden Hand Lens

72225

Smooth rubberwood frame containing a plastic lens with 2x magnification plus inset lens with 3x magnification. An excellent aid to observation.

Size: 180mm, lens 100mm dia.

## TickiT Easy Hold Magnifier

73363

A great start for young explorers providing 2x magnification, with additional 3x magnification via a small enlargement lens. It has an easy to hold rubberwood frame making it ideal for small hands. Size: 185 x 120 x 20mm (lens 80mm dia.)

## TickiT Easy Hold Discovery Set

73382 Pk6

Variety set of rubberwood frames with easy grip handles containing a range of lenses for children to explore the world around them in different ways. Can be stacked for colour mixing and for use on a light panel. Set includes 3 translucent acrylic colour panels in light red, blue & yellow, a magnifying lens (with 2x and 3x magnification), a two sided convex/concave mirror and a plane mirror.

Size: 185 x 120 x 20mm (insert 80mm dia.)

## TickiT Easy Hold Colour Panels

73359 Pk3

Set of rubberwood frames with easy grip handles containing transparent coloured acrylic panels (light red, blue and yellow). Looking through them children will see the world in different colours, or they can use more than one to create new colours.

Size: 185 x 120 x 20mm (acrylic 80mm dia.)

## TickiT✓ Easy Hold Plane Mirror

73372

Hand held acrylic mirror for collaborative group play and role play. Housed in a solid rubberwood outer, it is both extremely strong and easy to hold and manipulate by young children.

Size: 185 x 120 x 20mm (mirror 80mm dia.)

All of our mirrors are made from safe acrylic plastic

## TickiT✓ Easy Hold Convex/Concave Mirror

73365

Rubberwood frame with easy grip handles enclosing a double-sided concave and convex acrylic mirror in each side which produce fascinating inverted, skewed and magnifying reflections.

Size: 185 x 120 x 20mm (mirror 80mm dia.)

0<sup>+</sup>

**TickiT**

## Wooden Exploratory Mirror

73448

Our new birch plywood exploratory mirror has parallel sides to reflect images backwards and forward to infinity, ideal for children to use in imaginative play, to create small world environments, for learning about reflection and mirror effects, or to closely inspect interesting objects. The solid construction provides a stable base for the 2mm acrylic mirrors, making the image flatter and clearer. The unit comes with a clear acrylic protective cover for the base as well as rubber feet for stability and to protect work surfaces. Flat packed ready for simple adult assembly.

Size: 315 x 470 x 320mm.

**TickiT**

## Wooden 4-Way Mirror

73452

Our new birch plywood 4-way mirror is a fascinating 90 degree corner unit where children can see reflections within each side and the base, ideal for use in imaginative play, to create small world environments, for learning about reflection and mirror effects, or to closely inspect interesting objects. The solid construction provides a stable base for the 2mm acrylic mirrors, making the image flatter and clearer. The unit comes with rubber feet for stability and to protect work surfaces. Flat packed ready for simple adult assembly.

Size: 299 x 457 x 238mm.

# Early Years | Mirrors

## TickiT Wooden Mirror Tray

73466

Our new solid beechwood mirror tray is ideal for children to learn about reflection and mirror effects, to closely inspect interesting objects, for use in imaginative play and to create small world environments. The solid construction provides a stable base for the 2mm acrylic mirrored base, providing a sharp clear bright reflection.

Size: 500 x 435 x 50mm.

## TickiT Wood Effect Softie Mirror Tray

72436

Plane acrylic mirror with soft EVA foam surround - providing young children with a resource for role play or self reflection. Can also be used indoors or out as a mini observation area, a small world environment and as a lightweight portable mirror.

Size: 380 x 280 x 40mm.

## TickiT Jigsaw Softies

72083 Pk4

Softie plane mirrors with jigsaw profiles in four colours. They can be hand held, free standing or wall mounted to create a stunning display. Includes adhesive pads. Size: 200mm.

## TickiT Hexagonal Softies

72084 Pk5

Hand held EVA foam surround acrylic mirrors with plane (purple, blue and yellow), convex (red) and concave (orange) surfaces. Includes adhesive pads for wall mounting. Size: 190mm at widest point.

## TickiT Hand Held Softie Mirror

72086

Hand held acrylic mirror with EVA foam surround, easy handles and large reflective surface (240 x 138mm). Use for observation of reflection, self observation, role play, symmetry and speech development. Size: 455 x 245 x 30mm.

## TickiT Softie Round Wall Mirror

72087

Colourful round wall mirror made using safe acrylic plastic surrounded by tough EVA foam frame. Comes with sticky pads for wall mounting. Size: 320mm dia.

**TickiT**  **Giant Single Dome**  
72412 780mm

## Communication, Language & Literacy (Page 120-126)

Communication, literacy and language development is about giving children opportunities to grow their confidence and skills in expressing themselves, to be able to speak in a range of situations and develop essential reading and writing skills.

## TickiT Understanding Feelings Pack

72402

An intuitive set which has been designed to help children learn about feelings and communicate their emotions more effectively with others. The set contains 13 acetate faces portraying different expressions with an A3 poster providing a key, enabling children to discuss, observe and better understand how they and others feel. Also included for use with dry-wipe markers are 3 blank whiteboard faces, 3 blank clear acetate faces, 3 blank acetate mirror faces to observe self-expression and an activity guide.

Digital versions of the activity guide are available in French, German, Spanish, Italian, Polish, Swedish and Dutch - please enquire for details.

Size of faces: 210 x 185mm.

## TickiT Expression Mirror Faces

72400 PK10

Blank acrylic plastic mirrors, shaped to resemble a child's head. They can be used by children to observe their own facial expressions, to tell themselves and others about how they are feeling, or used with a dry-wipe pen to illustrate or mimic emotions. Additionally ideal for use as a language development tool, enabling children to watch how they form phonic sounds.

Size: 210 x 185mm.

**Sound Bank Features**

- Showerproof
- Record lock
- Adjustable volume
- Magnetic mounts
- Clip on cover

## **TickiT** **Sound Bank Plus Mirror**

12711

Handy recording device with a mirrored dry wipe surface and snap on cover for inserting pictures. Simple operation, records up to 30 seconds of high quality sound, 3 volume levels and a record lock function. Ideal for use in classroom environments or outdoors. The device is showerproof and comes with a wall mounting slot and magnets. Includes information sheet in 2 languages. Requires 3 x AAA batteries (not included).

Size: 120mm.

## **TickiT** **Talking Tubes® Who's Speaking, Who's Listening**

73970

Ideal for promoting conversations, turn-taking and collaboration between a group of children. Can be used for games such as Chinese Whispers, describing a mystery object and using a disguised voice to play 'guess who's talking'. Includes a central hub that connects to 6 coloured 1.5m length tubes with matching telephone handsets, as well as 6 matching blindfolds.

## TickiT Talking Tubes®

73952

The starter set is ideal for small areas or dens. Includes 2 handsets and a 3 metre length of yellow tubing.

Talking Tubes® is a patented and award-winning design which will encourage even the quietest children to communicate with each other. The simple telephone system carries sounds clearly over large distances via handsets fitted into tough plastic flexible hollow tubes, allowing conversations to take place indoors and out.

## TickiT Talking Tubes® Telephone Exchange

73956

Perfect for using with larger groups of children to develop listening as well as speaking skills.

Set includes 8 handsets (4 red, 4 blue), 3 x 3m lengths and 12 x 1m lengths of yellow tubing, 6 in-line connectors and 6 'Y' connectors for creating a wide variety of networks.

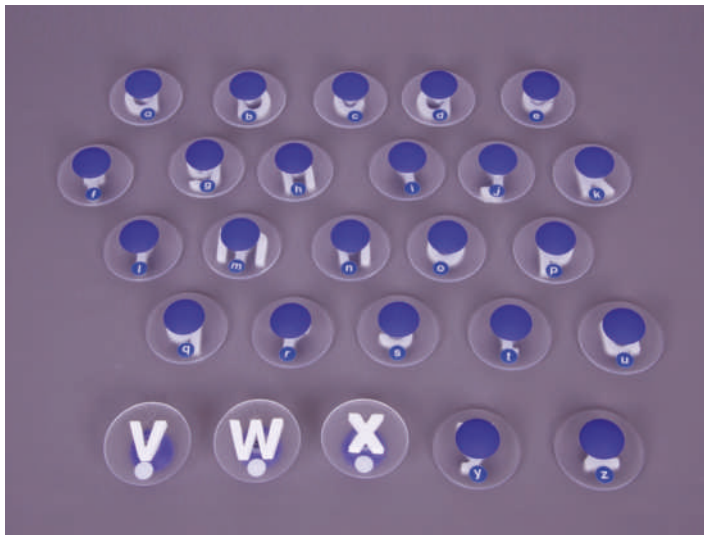

## edx GeoStix® Letter Construction Set

54119 Pk225

Improve fine motor skills and develop creative thinking skills while playing with this letter construction set which helps children to learn capital letters, lower case letters and form words.

Set includes 200 flexible sticks: 10 different shapes and lengths of flexible sticks that snap together, and 25 x double-sided activity cards.

Size of longest stick: 108mm.

## edx Alphabet Stamps

72259 Pk26

Sturdy lower case letter stamps with easy-grip handles in a carry case enabling them to be used indoors and outdoors. Ideal for letter recognition, learning correct letter formation, and creative craft activities. An arrow above the handle ensures letters are stamped the correct way up. Contains lower case letters a-z. Size: 75mm.

## edx Transparent Letters

75114 Pk26

Upper case letters in colourful translucent plastic, ideal for developing letter recognition and for learning the order of the alphabet.

Size: 50mm.

## edx Whiteboards

54007 Pk4

Dry-wipe whiteboards with plastic frames in four colours. Surface suitable for magnetic resources, ideal for a range of uses.

Size: 240 x 330mm.

**TickiT****SiliShapes®  
Trace Alphabet**

54505 Pk26

Award-winning colourful translucent alphabet set made from strong, soft and pliable silicone. Used in everyday play - in the sand pit, on the floor, on a light panel and in water - they are easily washable by hand or in a dishwasher. Arrows indicate the direction for correct letter formation.

Height: 120mm.

Trace for formation

abcdefghijklmnopqrstuvwxyz

**TickiT** **Rainbow Letters**

72419 Pk26

Lower case alphabet letters in a child friendly font made in colourful clear 3mm acrylic. Ideal for use on a light panel for letter recognition. Each letter has a 2.5mm hanging hole at the top balance point.

Size: 70mm.

**TickiT** Holly's Phonics

73468 Pk40

Developed with an experienced primary school teacher, this beautiful wooden phonics game is designed to help children reinforce their phonics knowledge in a fun and enjoyable way. The aim is to match the photographic picture tiles with the word tiles. The dots and dashes ('sound buttons') under each word help children to segment the words into sounds so they can blend the sounds to read the word. If the bars on the word tile line up with the bars on the picture tile, it's a match!

Size: 70 x 70 x 10mm.

**TickiT** Mirror Letters

72418 Upper Case Pk26

72399 Lower Case Pk26

Laser cut double-sided mirror letters from a-z / A-Z, made from highly reflective 3mm acrylic. Use as manipulatives for children to trace, for demonstrations or classroom displays. Each letter has a 2.5mm hanging hole at the top balance point.

Size: 70mm.

## Early Years Maths, Numbers & Counting (Page 127-132)

Maths resources to encourage simple problem solving, for learning about shape and space, and to develop early reasoning, counting and numeracy skills.

**NEW** 10m+

**TickiT** ✓

## Rainbow Wooden Keys

73474 Pk12

Chunky beechwood keys, all featuring different projections, numbered from 0 to 10 on one side with corresponding numicon dots on the reverse. Ideal for recognising numbers, learning to count and using in simple mathematical processes. The keys can be used as an add-on set to our Rainbow Loose Parts range as they come in the 7 colours of the rainbow, with additional keys in black, white and natural undyed wood. Includes string key ring with natural wooden toggle for keeping them together.

Size of longest key: 120mm.

Numbers & dots

## TickiT✓ Rainbow Gel Number Fish

57011 Pk21

Squashy counting fish with numbers and dots from 0-20 in the 7 colours of the rainbow. Containing translucent gel-like beads, the brightly coloured fish with hanging loops are an ideal tactile resource for learning to count (the dots are grouped for logical learning), colour recognition and sensory exploration. Size: 80 x 150mm.

## TickiT✓ Mirror Numbers

72401 Pk14

Laser cut double-sided mirror numbers from 0-9, including two styles of the numbers 4 & 7 and an additional 1 & 0. Made from highly reflective 3mm acrylic and ideal for use as manipulatives for children to trace, for demonstrations or classroom displays. Each number has a 2.5mm hanging hole at the top balance point. Size: 70mm.

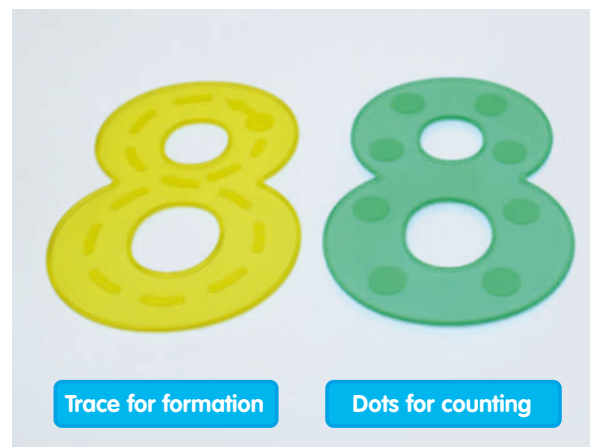

## TickiT SiliShapes® Numbers

54509 Trace Numbers Yellow Pk10

54511 Dot Numbers Green Pk10

Transparent silicone numbers 0-9 which are strong, soft and pliable and can be used in everyday play - in the sand pit, on the floor, on a light panel and in water. The 2 number sets come in different colours so they can be easily sorted when in use together. Ideal for all settings as the sets are easily cleaned after use in soapy water or in a dishwasher.

Size: 120mm.

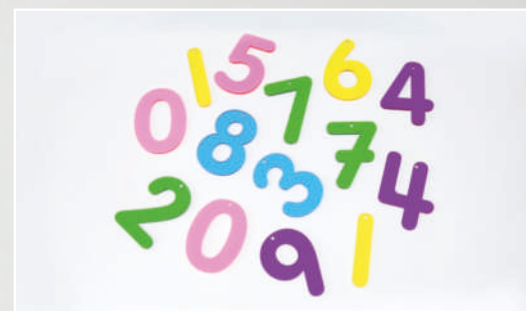

## TickiT Rainbow Numbers

72421 Pk14

Numbers 0-9 made from colourful clear 3mm acrylic. The set includes two styles of the numbers 4 & 7 and an additional 1 & 0. They are ideal for use on a light panel to encourage numeral recognition. Each number has a 2.5mm hanging hole at the top balance point.

Size: 70mm.

18m+

## edA Geo Pegs Activity Set

54043 Pk168

Ideal for developing fine motor skills, patterning & sequencing, creative design, addition & subtraction and logical reasoning skills. Contains 4 EVA foam boards that can be joined together, 144 pegs in 6 colours, 12 laces, 12 double-sided activity cards supplied in a plastic container for convenient storage. Size of board: 215mm.

18m+

## edA Geo Pegs & Peg Board

75112 Pk40

36 stackable giant pegs in 6 bright colours and 3 shapes, with a 210mm square base board and 3 laces. Ideal for developing fine motor skills, counting, sorting and patterning. Size of board: 210mm.

## edA Transparent Numbers

75116 Pk10

Numbers 0-9 in colourful translucent plastic, ideal for number recognition, counting and sequencing. Size: 50mm.

## edA Number Stampers

72261 Pk26

Number stampers with easy-grip handles in a convenient carry case. Contains numbers 0-10, dots 1-10 and operations symbols  $+$   $-$   $\times$   $\div$  =. Size: 75mm.

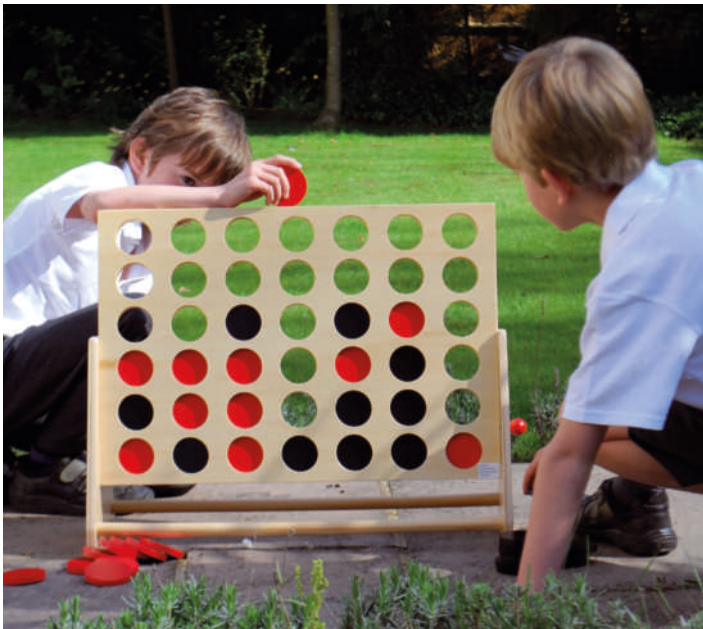

**TickiT**

## Colour Match Eggs

74064 Pk12

A plastic egg box containing a dozen eggs which each pull apart to reveal brightly coloured centres with numbers 1-12 to match with their corresponding pegs and holes. Ideal for learning to count, number recognition and colour matching.

Size of carton: 296mm. Egg dia. 45mm.

## TickiT Wooden Four in a Row

74774

The sturdy frame and smooth finished wooden black and red counters are of excellent quality and ideal for outdoor games. Play by making a row of four with your counters, for practising simple counting skills or for pattern-making. A great way to strengthen motor skills and logic, and to improve concentration. Simply remove the locking pegs at the side to flip the frame and release the counters. Includes 42 counters (dia. 62mm) and assembly instructions in 4 languages.

Size of frame: 600 x 480 x 220mm. Size of counter: 62mm dia.

## TickiT Wooden Dominoes

74770 Pk28

Giant hardwearing solid pine wood dominoes, great for playing outdoors. With smooth finished edges and strong painted black dots, the dominoes can be used to play the traditional game - taking it in turns matching the equal dots until you have used all your dominoes - for number recognition practice, or for simple adding and subtracting games. Ideal for improving mathematical knowledge and confidence.

Size of domino: 75 x 150 x 15mm.

## TickiT Target Maths

54501 Target Maths Set Pk3

54499 Additional Ball Set Pk9

Three large target boards showing numbers 10 to 100, 0 to 10 and 0 to 20. A set of 9 balls are included, which attach to the boards using a hook and loop mechanism. Designed to encourage children to play games using addition, subtraction and division, whilst also helping to develop better hand-eye coordination skills.

Size of board: 450mm dia.

## TickiT Calculators

52135 Student Calculator (112 x 68mm)

52145 Desktop Calculator (125 x 100mm)

38042 Calculator Class Set

Dual power source (solar and battery, included), auto shut off, 8 digit LCD display, 3 key memory and four functions. Class Set contains 30 student calculators and 1 teacher calculator supplied in a foam-lined plastic container for convenient storage.

## Counters & Sorting (Page 134-143)

Colourful counters and sorting resources provide the opportunity for children to learn classifying and ordering, an essential basic skill of early maths. Using a variety of different themes, shapes and sizes makes sorting activities appealing to all learners.

## **edk** Transport Counters

**72411 Pk72**

6 shapes, 6 colours.  
Size: Approx. 40mm.

## **edk** Dinosaur Counters

**53082 Pk128**

8 shapes, 6 colours.  
Size: Approx. 50mm.

## **edk** Wild Animal Counters

**72409 Pk120**

10 shapes, 6 colours.  
Size: Approx. 50mm.

## **edk** Farm Animal Counters

**72256 Pk72**

6 shapes, 6 colours.  
Size: Approx. 40mm.

## **edk** Pet Counters

**54013 Pk72**

6 shapes, 6 colours.  
Size: 35-60mm.

## **edk** Aquatic Counters

**75100 Pk84**

14 shapes, 6 colours.  
Size: Approx. 50mm.

## **edk** Bug Counters

**72413 Pk72**

12 shapes, 6 colours.  
Size: Approx. 60mm.

## **edk** Fruity Fun Counters

**53188 Pk108**

6 shapes, 6 colours.  
Size: 20-50mm.

## **edk** Vegetable Counters

**54011 Pk144**

6 shapes, 6 colours.  
Size: Approx. 40mm.

# Maths | Counters & Sorting

## edx Wild Animal Counters Jar

75174 Pk30

A jar of 30 wild animal shaped counters with tweezers and activity guide, ideal for counting, sorting, creating patterns and using with simple mathematical processes: addition, subtraction, division & multiplication.

10 varieties (bear, camel, elephant, giraffe, gorilla, hippopotamus, kangaroo, lion, rhinoceros and tiger) in 3 colours.

Size: approx. 50mm.

## edx Vegetable Counters Jar

75176 Pk36

A jar with different vegetables and 6 colours: red peppers, orange carrots, yellow corn, white garlic, purple aubergines and green cucumbers. Includes tweezers and activity guide.

Size: approx. 40mm.

## edx Fruit Counters Jar

75156 Pk48

A jar of 48 fruit shaped counters with tweezers and activity guide. Ideal for counting, sorting and using with simple mathematical processes. 6 shapes (strawberry, banana, orange, apple, grapes & blueberry) in 6 colours.

Size: approx. 20-50mm.

## edx Dinosaur Counters Jar

75158 Pk32

A jar of 32 detailed dinosaur counters with tweezers and activity guide. 8 varieties (stegosaurus, brachiosaurus, euoplocephalus, triceratops, tyrannosaurus rex, spinosaurus, pterodactyl and parasaurolaphus) and 4 colours.

Size: approx. 50mm.

## ed<sup>x</sup> Transport Counters Jar

75178 Pk36

A jar of detailed transport counters in 6 varieties (bus, car, helicopter, plane, tugboat and train) and 6 colours (red, blue, green, yellow, purple and orange). Ideal for counting, sorting, creating patterns and using with simple mathematical processes (adding, subtracting, dividing or multiplying). Includes tweezers and activity guide. Size: approx. 40mm.

## ed<sup>x</sup> Aquatic Counters Jar

75180 Pk42

A colourful jar of 7 different aquatic animal counters (crab, lobster, octopus, seahorse, starfish, stingray and turtle) in 6 colours (red, blue, green, yellow, purple and orange).

Ideal for counting, sorting, creating patterns and using with simple mathematical processes (adding, subtracting, dividing or multiplying). Includes tweezers and activity guide.

Size: approx. 50mm.

## ed<sup>x</sup> Farm Animal Counters Jar

75182 Pk36

A jar of detailed farm animal counters in 6 varieties (chicken, cow, duck, horse, pig, and sheep) and 6 colours (red, blue, green, yellow, purple and orange). Ideal for counting, sorting, creating patterns and using with simple mathematical processes (adding, subtracting, dividing or multiplying). Includes tweezers and activity guide. Size: approx. 40mm.

## ed<sup>x</sup> Large Buttons + Laces Jar

75184 Pk58

Kids love to play with colourful buttons: colour matching, sorting and patterns can all be practised with button play. This jar contains large buttons in assorted shapes and colours.

Approx. 250g with 4 laces. Includes activity guide.

Size approx. 40-50mm dia.

# Maths | Counters & Sorting

## **edX** Monster Counters Earth Colours Jar

75186 Pk36

A fun new set of detailed monster counters in 6 varieties (Vala, Nessy, Birdoo, Babbit, Triton and Crobee and in 6 earth colours, supplied in a handy jar. Ideal for counting, sorting, creating patterns and using with simple mathematical processes (adding, subtracting, dividing or multiplying). Includes tweezers and activity guide. Size of largest monster: 35mm.

## **edX** Back Pack Bear Counters

53078 Pk96

3 sizes of bear in 6 colours. 24 large 35mm (12g), 24 medium 30mm (8g), 48 small 25mm (4g).

## **edX** Bear Counters Jar

75160 Pk36

A jar of 36 mixed bear counters in 4 colours with tweezers and activity guide. Ideal for counting, sorting, weighing and using with simple mathematical processes.

Size: approx. 35mm (12g), 30mm (8g) and 25mm (4g).

## **edX** Small Bear Counters Jar

75162 Pk60

A jar of 60 small bear counters in 6 colours with tweezers and activity guide, ideal for counting, sorting, weighing and using with simple mathematical processes.

Size: approx. 25mm.

## **edX** Monster Counters Activity Set

75188

Meet our new Monster Counters - Vala, Nessy, Birdoo, Babbit, Triton and Crobee. In 6 shapes in 6 earth colours, the monsters all have different characteristics and attributes. Ideal for counting, sorting, creating patterns and using with simple mathematical processes (adding, subtracting, dividing or multiplying). Comes with 10 double-sided activity cards, 72 counters and a transparent spinner.

Size of largest monster: 35mm. Spinner 90mm dia.

## **edX** Red/Blue Counters

54067 Pk200

Set of double-sided plastic counters in 2 colours (red and blue). Size: 25mm dia.

## **edX** 1cm Cubes

53375 Pk1000

1cm/1g cubes in 10 bright colours. Each cube displaces 1 cubic centimetre of water. Includes plastic container for convenient storage.

# Maths | Counters & Sorting

NEW

18m+

## TickiT Translucent Colour Sorting Bowls

73117 Pk6

Fun colour bowls, the perfect size for children to use in sorting activities and exploring colour. The 6 colours match our Translucent Colour Buckets, Jugs and Pots and funnels so can be used together for extended play value. Size: 45 x 145mm dia.

## edx Sorting Bears with Matching Bowls

75194 Pk67

Children can learn valuable language and classification skills when using bear counters. Ideal to learn counting, sorting, matching, patterning, addition and subtraction. Set includes 60 counters, 6 sorting bowls, 1 spinner and activity guide.

Size of bowls: 150mm dia and 40mm depth. Bears approx. 27mm.

## edx Coloured Sorting Bowls

53842 Pk6

Set of six coloured bowls, made of sturdy plastic. Ideal for matching and sorting activities. Size: 40 x 150mm dia.

**TickiT**

## Flower Sorting Trays

72211 Pk6

Set of large brightly coloured flower shaped sorting trays great for all counting, sorting and classifying activities.

Size: 400mm dia. Depth: 40mm.

## Counting & Sorting Set

52038

Complete sorting set with trays, bowls, counters and dice - ideal for counting, sorting, patterns, shape and colour recognition and using for general mathematical processes. Contains large rectangular sorting tray with 6 coloured sorting bowls (150mm dia.), 36 fruit counters, 36 transport counters, 36 bug counters, 36 farm animal counters, 250 round colour counters, 100 plastic shapes, 102 links, 72 stacking counters, 40 dinosaur counters, 3 spinners, 16mm dice and activity guide.

Size of tray: 400 x 300mm.  
Bowls dia. 150mm.

## Desktop Sorting Rings Set

74198 Pk15

Smaller sorting rings in 3 colours to help children classify and count objects. Ideal for table top use.

Size: 250mm dia.

## Sorting Rings Set

53379 Pk6

A set of folding sorting rings in 3 colours to help children classify and count objects. Use singularly or create Venn diagrams for sorting, comparing and attribute work.

Size: 500mm dia.

# Maths | Counters & Sorting

NEW

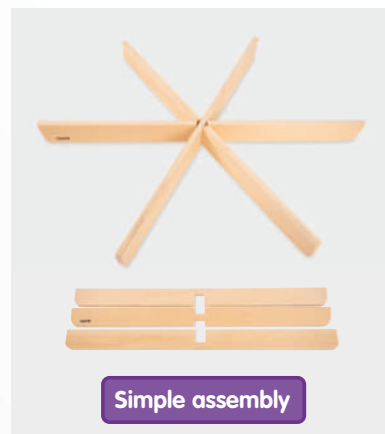

**TickiT** ✓

## Wooden Discovery Dividers

73464

A simple yet effective set of attractive birch plywood dividers that easily slot together to form a circular 6-way sorting circle. Portable and easy to use, it can be set up on a floor or table for free-play sorting, counting or pattern-making. It has also been designed to fit inside the Sensory Mood Discovery Table for sorting whilst engaged in discovery play.

Size assembled: 50 x 646mm dia.

## TickiT ✓ Wooden Discovery Boxes

73462 Pk3

Three beautifully constructed beechwood trays with clear acrylic sliding lids. The trays are divided into 3, 6 and 8 sections which can be used for sorting and display. Ideal for collecting natural resources or organising counters or tokens by colour or shape. Ideal for using with our Rainbow Wooden Treasures or Crystal Treasures.

Size: 375 x 160 x 63mm.

## TickiIT Wooden Sorting Tray - 14 Way

74053

Beautifully constructed solid beechwood tray divided into 14 robust sections which can be used for sorting and display. The tray can be positioned flat down for desk or floor play, or stood upright for display against a wall or window. Ideal for sorting or classifying smaller objects.

Size: approx. 500 x 435 x 75mm.

Ideal for sorting Wooden Treasures Super Set

## TickiIT Wooden Sorting Tray - 7 Way

74055

Beautifully constructed solid beechwood tray divided into 7 robust sections which can be used for sorting and display. The tray can be positioned flat down for desk or floor play, or stood upright for display against a wall or window. Ideal for sorting or classifying larger objects.

Size: approx. 500 x 435 x 75mm.

Ideal for sorting Rainbow Wooden Super Set

## Pattern, Sequence & Manipulatives (Page 144-155)

Children use simple patterning skills regularly in their everyday life, and being able to classify objects for sequencing or physically handle maths manipulatives are important building blocks of mathematical development.

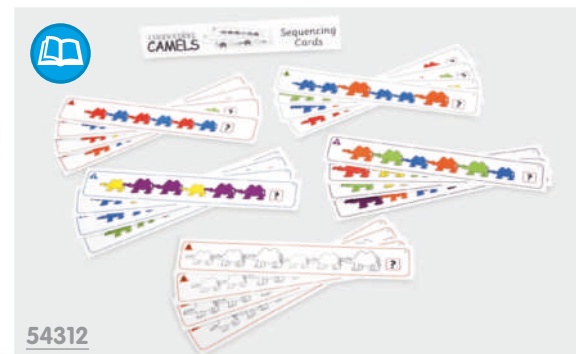

## TickiT Connecting Camels

54300 Connecting Camels Pk96

54302 Connecting Camels Pk120

54312 Connecting Camels Sequencing Cards Pk20

Meets several numeracy curriculum requirements. Explores number, algebra, shape & space, measurement and data. Promotes counting, number recognition, estimation and mental maths recall. Cyclic patterns, perimeters and measuring can be explored by connecting camels together. Three sizes (weight related) in 6 bright colours. Connecting Camels Sets and Sequencing Cards include activity guide in 8 languages.

## ed Shape Links Activity Set

54053 Pk380

Students develop important skills - sorting & classifying, patterning & sequencing, logical reasoning, creative design and basic numeracy. Contains 360 links in 3 shapes & 6 colours and 20 double-sided activity cards in a plastic container for convenient storage.

Size of square: 30mm.

## **ed4 Rainbow Pebbles® Classroom Set** 54107 Pk302

A bumper set of construction and early mathematics manipulatives, ideal for developing fine motor skills, and for counting, sorting and creative design activities.

Contains 252 assorted pebbles in 6 sizes and 6 colours, 47 double-sided activity cards, 3 spinners and activity guide in a plastic container for convenient storage.

Size of largest pebble: 85mm.

## **ed4 Rainbow Pebbles®** 54047 Pk36

Children will have fun with this construction and early mathematics manipulative. Ideal for developing fine motor skills, counting & sorting and creative design.

Contains 36 pebbles in 6 sizes and 6 colours and 20 activity cards in a plastic container for convenient storage.

Size of large pebble: 85mm.

## edk Rainbow Pebbles® Activity Set

72307 Pk60

The Rainbow Pebbles® Activity Set is a construction and early mathematics manipulative, ideal for developing fine motor skills, as well as for counting, sorting and creative design activities.

Set includes 48 Rainbow Pebbles® in 4 sizes and 6 colours, with 12 x double-sided A4 activity cards.

Size of largest pebble: 55mm.

## TickiT Silishapes® Linking People

54513 Pk36

6 family sets of soft silicone characters each in a different transparent colour. Characters include granddad & grandma, mum & dad and girl & boy which can all be linked by their hands. An excellent resource for storytelling, language development, mathematical sorting, sequencing, pattern-making and for their proportional attributes (larger/smaller, taller/shorter, older/ younger). For science they can be used to help understand life cycles or on a light panel for colour mixing. They help develop fine motor skills and are ideal for small world play. Easily cleaned after use in soapy water or in a dishwasher. Includes activity guide in 8 languages.

Size of largest character: 100mm.

## **ed4** 2cm Linking Cubes Reflection Set

75192 Pk104

Linking Cubes Reflection Set is an excellent tool to develop an understanding of spatial awareness, patterning, symmetry and aesthetic sense by solving the 2D and 3D activities included in the activity booklet (includes 21 activities). Ideal for children to improve fine motor skills, inspire creative designs, strengthen observation skills, promote spatial awareness and foster geometric thinking. Set includes 100 x 2cm cubes in 10 colours, 1 x baseboard, 1 x L frame, 2 x mirrors, activity booklet and activity guide.

Size of cubes: 20mm.

## **ed4** 2cm Linking Cubes Classroom Set

54009 Pk546

Linking cubes with double-sided progressive activity cards containing ideas for learning about patterns and sequencing, creating 3D shapes and understanding different mathematical processes. Also ideal as an early years construction set - see page 83 for details. Set includes 500 blocks in 10 bright colours, comprising 400 cubes, 50 triangles & 50 quadrants, as well as 4 base boards and 42 x double-sided activity cards in a plastic container for convenient storage.

Size of cube: 20mm.

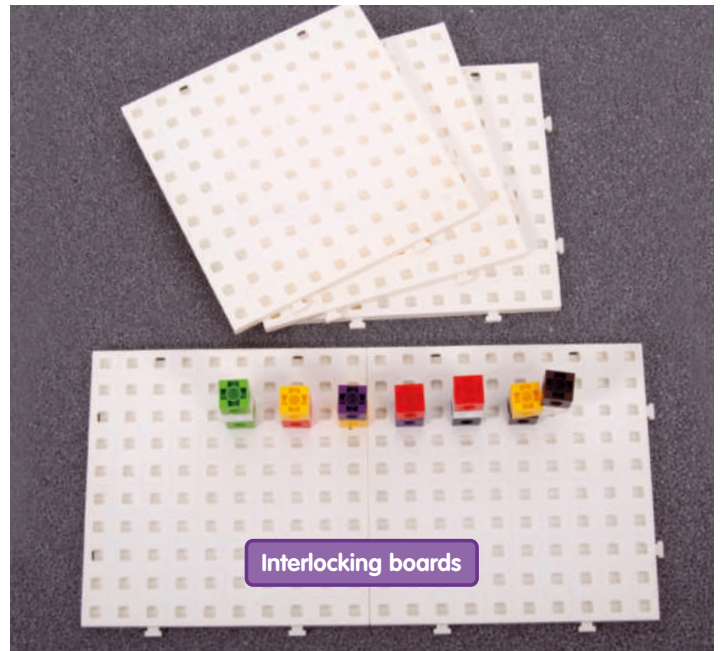

## **2cm Linking Cubes**

**53835 Pk100**  
**53837 Pk1000**

2cm cubes in 10 bright colours which fix securely together for use as a mathematical aid or to create imaginative constructions. Use alone or with the baseboards (53839).

Linking Cubes provide mathematical learning experiences in developing children's skills in counting, classifying, addition, subtraction, place value, measuring and patterning. A versatile and robust learning tool for all levels of proficiency which will easily meet the rigours of the classroom.

## **Baseboards for 2cm Linking Cubes**

**53839 Pk5**

Use with 2cm Linking Cubes when constructions require a solid foundation.

Size: 200 x 200mm.

## **Peg Boards & Pegs Set**

**52440**

5 white peg boards with 1000 pegs in 5 bright colours for pattern, sequencing, counting and sorting activities.

Size of board: 157mm.

## **1cm Interlocking Cubes**

**53909 Pk1000**

1cm cubes in 10 bright colours. Can be used for patterns and sequencing as well as counting and sorting, creative construction and to develop fine motor skills.

# Maths | Pattern & Sequence

**edX Math Cubes Learning Set**

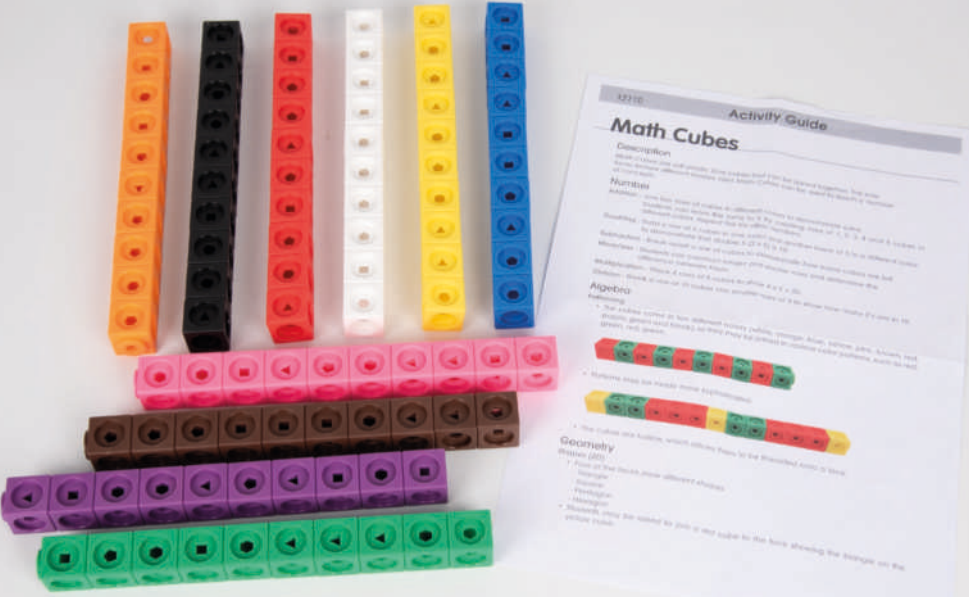

75190 Pk125

Math Cubes Learning Set comes with 25 double-sided activity cards and 100 x 2cm cubes. Math Cubes are a multifunctional manipulative that can be used for all levels of learning. An ideal hands-on tool for learning geometry, patterning, numbers, addition, subtraction, measurement and so much more

Size of cubes: 20mm.

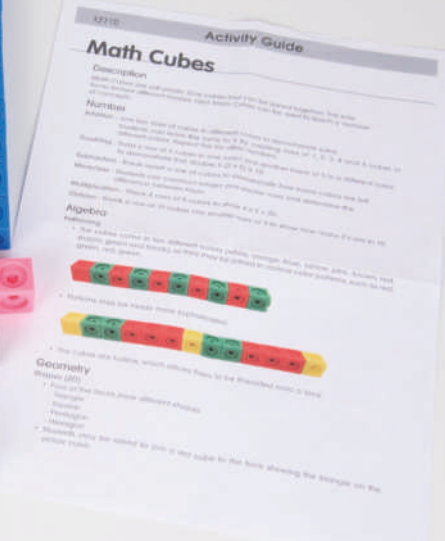

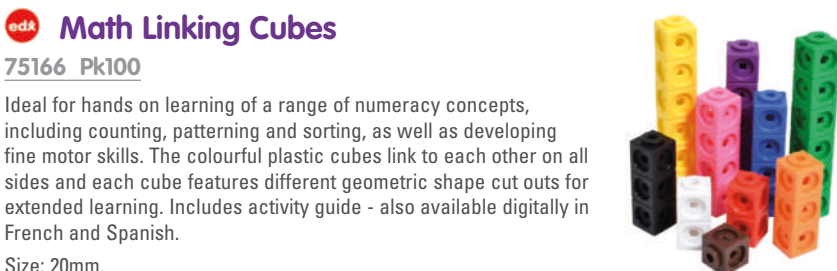

**edX Math Linking Cubes**

75166 Pk100

Ideal for hands on learning of a range of numeracy concepts, including counting, patterning and sorting, as well as developing fine motor skills. The colourful plastic cubes link to each other on all sides and each cube features different geometric shape cut outs for extended learning. Includes activity guide - also available digitally in French and Spanish.

Size: 20mm.

## ed Maths Home Learning - Foundation Set

54145

Our Maths Home Learning Foundation Set is aimed at children aged 5-6 years and ideal for learning important early mathematical concepts and developing skills in counting, addition, sorting, classifying, identifying geometric shapes, problem solving and reasoning. Set includes: 50 pattern blocks, 37 GeoStix®, 40 linking cubes, 12 counters, 1 deck of child friendly playing cards, 3 dice, 1 activity board and activity guide.

Geometry and logical thinking are essential for children learning mathematics in the early years

## ed Maths Home Learning - Grade 1-2 Set

54147

Our Maths Home Learning Grade 1-2 Set is aimed at children aged 6-7 years and ideal for learning important early mathematical concepts and developing skills in counting, addition, sorting, classifying, identifying geometric shapes and objects, problem solving and reasoning.

Set includes: 50 pattern blocks, 37 GeoStix®, 40 linking cubes, 22 counters, 1 deck of school friendly playing cards, 1 clock, 3 dice, 1 number board, 1 activity board and activity guide.

## edX FunPlay Number Rods

54123

Number Rods are a great tool for children to play and learn number relationships, number comparison, part-part-whole, and understand multiplication concepts.

Set includes 74 rods with 25 x double-sided activity cards and a Fun<sup>2</sup> Messy Tray.

Size of tray: 250 x 250 x 25mm.

## edX FunPlay Attribute Beads

54121

Children will love exercising their fine motor skills as they learn about size, shape, and colour variation. This set provides endless possibilities for learning these important skills, while also laying the foundations for basic mathematical concepts. Encourage children to separate the beads into groups, create specific patterns, sequencing or simply use their imagination to design their own art piece. Set includes 72 beads in 3 shapes, 2 sizes and 6 colours with 2 laces, 25 x double-sided activity cards and a Fun<sup>2</sup> Messy Tray.

Size of tray: 250 x 250 x 25mm.

## edX FunPlay Round Round Chips

54125

Children can play with these colourful chips and create their own patterns. Chips are great for role play and learning numbers, patterning, ordering, pairing, and counting. t

Set includes 144 counters in 3 sizes and 6 colours with 25 x double-sided activity cards and a Fun<sup>2</sup> Messy Tray.

Size of tray: 250 x 250 x 25mm.

## ed4 FunPlay Geo Pegs

54127

Children enjoy playing pegs by pushing in, pulling out and stacking. The two pegboards (round & rectangular) will encourage children to create different patterns. These pegs can also be used for learning sorting, matching, sequencing, patterning, and counting.

Set includes 24 pegs in 3 shapes and 4 colours, with one rectangular pegboard, one round pegboard, 25 x double-sided activity cards and a Fun<sup>2</sup> Messy Tray.

Size of tray: 250 x 250 x 25mm.

## ed4 FunPlay Rainbow Pebbles®

72305

These beautiful Rainbow Pebbles® in earth colours can be harmoniously played with alongside other natural materials. Children love to touch and feel these pebbles and create their own patterns and designs, their imagination is unlimited. Wider learning opportunities can be explored too: copying patterns, repeating patterns, and learning number concepts. The tray included can be used as an activity tray or messy tray while playing. Set includes 36 Rainbow Pebbles® in 6 earth colours with 25 x double-sided activity cards and a Fun<sup>2</sup> Messy Tray.

Size of tray: 250 x 250 x 25mm.

## ed4 FunPlay Construction Cubes

54129

Children are only limited by their imagination in using this construction set. The cubes can also be used for learning basic number concepts, comparing, measurement, sequencing, patterning, and counting.

Set includes 40 x cubes, 16 x quadrants, 12 x triangles and 20 x rods with 25 x double-sided activity cards and a Fun<sup>2</sup> Messy Tray.

Size of tray: 250 x 250 x 25mm.

## ed4 Fun Play Wooden Pattern Blocks

54131

Pattern Blocks are both a play resource and a tool for learning in mathematics which can be used to develop a range of mathematical concepts, such as geometry, symmetry, angles, fractions, perimeter and area.

Set includes 60 wooden pattern blocks in 6 shapes with 25 x double-sided activity cards and a Fun<sup>2</sup> Messy Tray.

Size of tray: 250 x 250 x 25mm.

## Maths | Home Learning

Number sense, geometry and logical thinking are essential for children learning mathematics in the early years. Parents can have quality play time with their children who can learn about numbers, develop geometric understanding and engage in logical thinking through playing together.

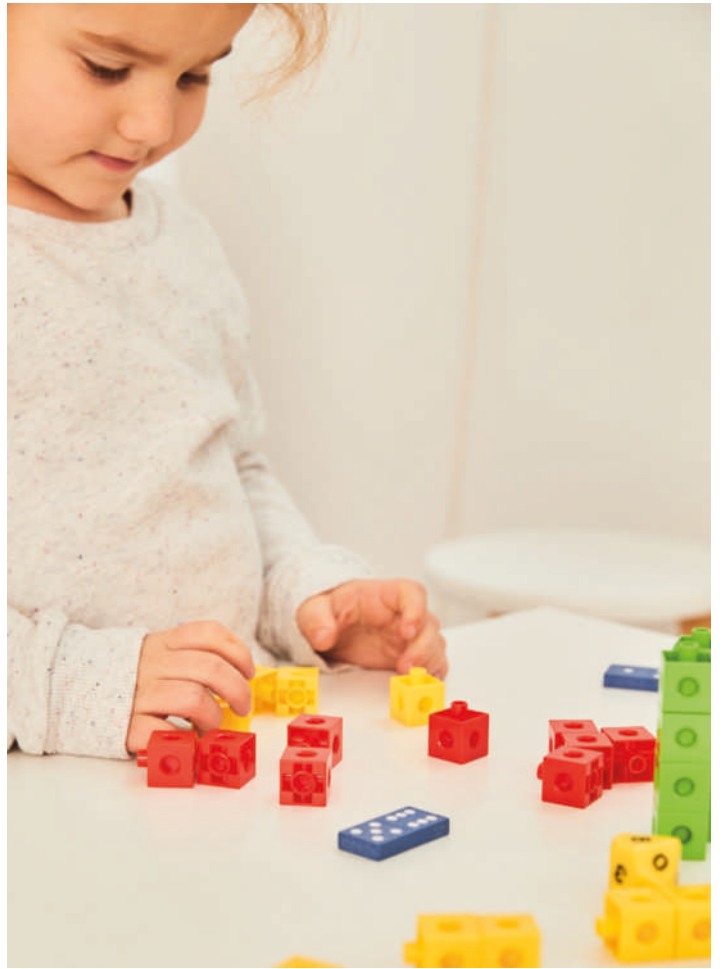

**edk Early Maths 101 To Go**  
**- Number & Measurements**

**54133 Level 1**

Set includes 12 Junior Rainbow Pebbles<sup>®</sup>, 20 x 2cm linking cubes, 24 x farm animal counters, 2 x five frames, 1 x bean bag, 1 x colour spinner, 1 x number spinner, 25 x double-sided activity cards, and activity guide in a plastic case. Guide also available digitally in Spanish & French.

Size of case: 350 x 270 x 45mm.

**ed** Early Maths 101 To Go  
- Number & Measurements

54135 Level 2

Set includes 40 x 2cm linking cubes, 28 x double 6 dominoes, 1 x beadstring – 20 beads, 2 x ten frames, 20 x 2-colour counters, 1 x 6-sided jumbo dice, 1 x 10-sided jumbo dice, 25 x double-sided activity cards, and activity guide in a plastic case. Guide also available digitally in Spanish & French.

Size of case: 350 x 270 x 45mm.

**ed** Early Maths 101 To Go  
- Number & Measurements

54137 Level 3

Set includes 74 x number rods and booklet, 19 x place value trains, 1 x school friendly playing cards, snakes and ladders / number board with block windows, 40 x transparent counters, 5 x number trains, 2 x 10-sided jumbo place value dice – ones & tens and activity guide in a plastic case.  
Guide also available digitally in Spanish & French.

Size of case: 350 x 270 x 45mm.

Age 3-4 years

## **edX** Early Maths 101 To Go - Geometry & Problem Solving

**54139** Level 1

Set includes 18 x geo pegs, 1 x pegboard, 3 x laces, 50 x shape blocks, 54 x double-sided activity cards and activity guide in a plastic case.  
Guide also available digitally in Spanish & French.

Size of case: 350 x 270 x 45mm.

Age 4-5 years

## **edX** Early Maths 101 To Go - Geometry & Problem Solving

**54141** Level 2

Set includes 60 x pattern blocks, 200 x small pegs, 1 x pegboard, 36 x lacing beads, 2 x laces, 25 x double-sided activity cards and activity guide in a plastic case.

Guide also available digitally in Spanish & French.

Size of case: 350 x 270 x 45mm.

Age 5-6 years

## **edX** Early Maths 101 To Go - Geometry & Problem Solving

**54143** Level 3

Set includes 50 x Junior GeoStix®, 1 x geoboard with 20 x elastic bands, 1 set of attribute blocks (60pcs), 1 x attribute block spinner, 2 x sorting circles, 25 x double-sided activity cards and activity guide in a plastic case.

Guide also available digitally in Spanish & French.

Size of case: 350 x 270 x 45mm.

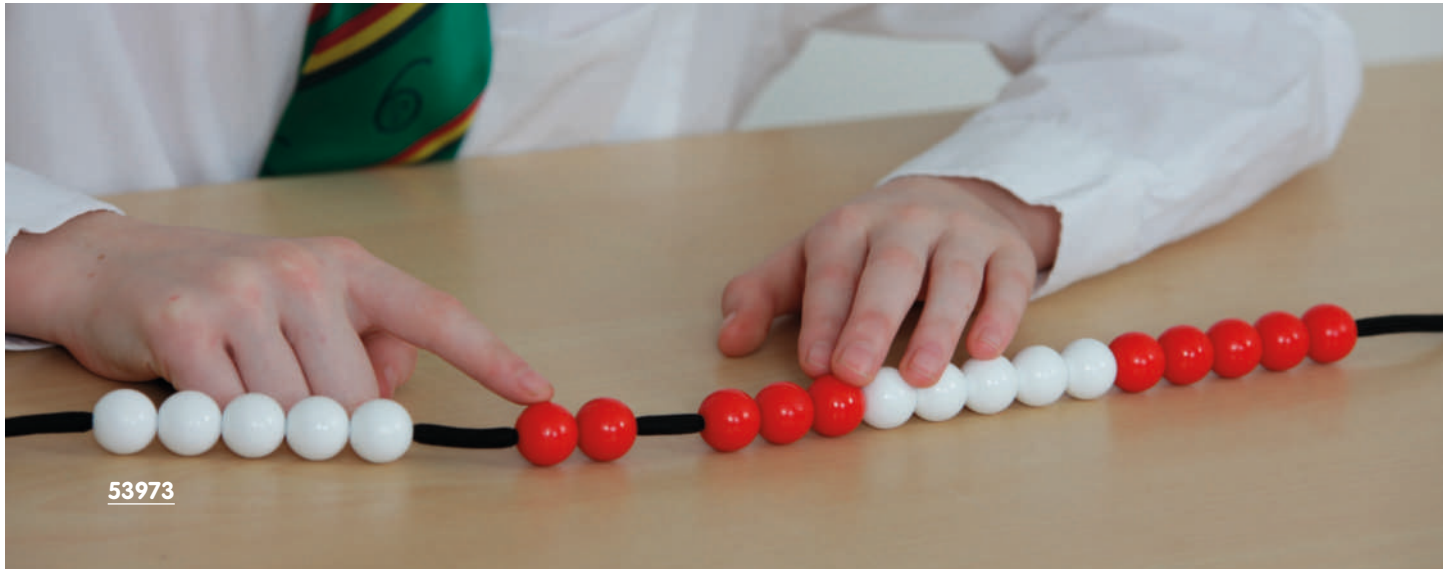

## Number Value, Fractions & Probability (Page 156-160)

A range of maths resources to help children gain confidence in number work. With regular exposure to simple maths activities in their early years, children will learn their numbers and how to manipulate them with increased ease providing an ideal foundation for more advanced maths in later learning stages.

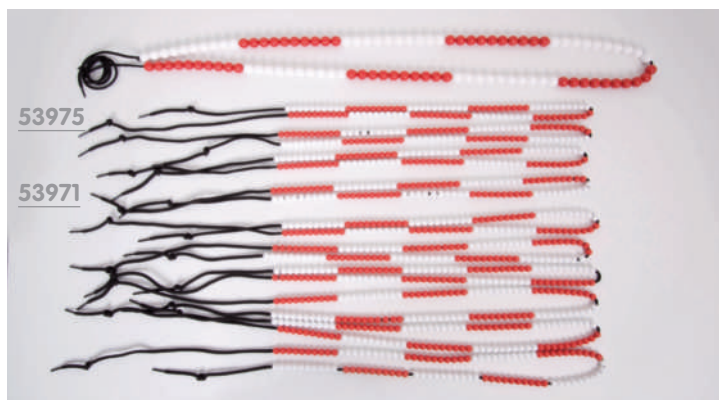

## 20 Beadstrings

**53973 Teacher 20 Beadstring (Bead 18mm dia.) Single**  
**53969 Student 20 Beadstring (Bead 10mm dia.) Pk10**

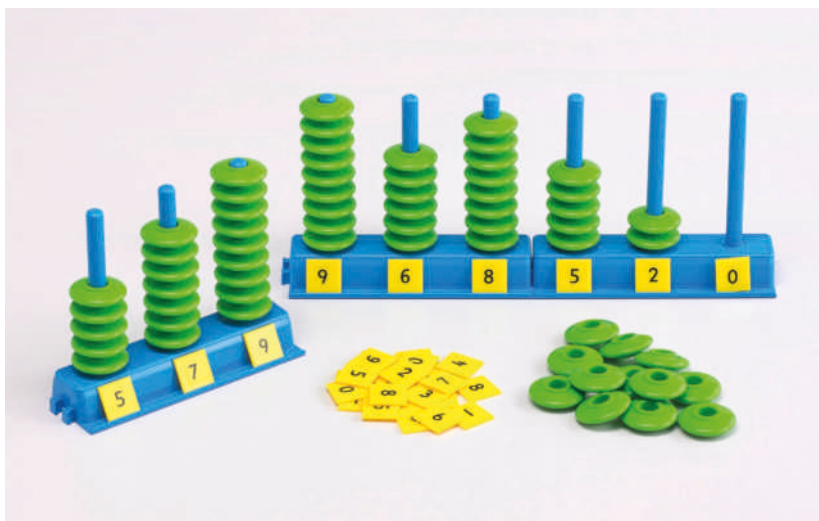

Each string has 20 beads, in groups of 5 red beads and 5 white beads. Friction fit so beads stay in place.

## 100 Beadstrings

**53975 Teacher 100 Beadstring (Bead 18mm dia.) Single**  
**53971 Student 100 Beadstring (Bead 10mm dia.) Pk10**

Each string has 100 beads, in groups of 10 red beads and 10 white beads. Friction fit so beads stay in place.

## Place Value Abacus

**75110**

An abacus to help children learn and reinforce their place value knowledge. Set contains 3 stands, 9 rods, 81 abacus beads and 9 sets of 0-9 number tiles.

Size of beads: 90 x 19mm.

## Base Ten Set

**53833 Pk121**

Illustrates the relationships between units, tens, hundreds and thousands. Each block is marked in centimetre squares. Contains 100 cubes, 10 rods, 10 flats, 1 block and activity guide - also available digitally in Spanish & French.

Size of block: 100 x 100 x 100mm.

# Maths | Number Value

## edX Number Rods To Go

54117

Number Rods are a great tool for children to play and learn number relationships, number comparison, part-part-whole, and understand multiplication concepts.

Set contains 231 rods, 50 activity cards and 1 activity guide in a convenient plastic container.

Size of longest rod: 100mm.

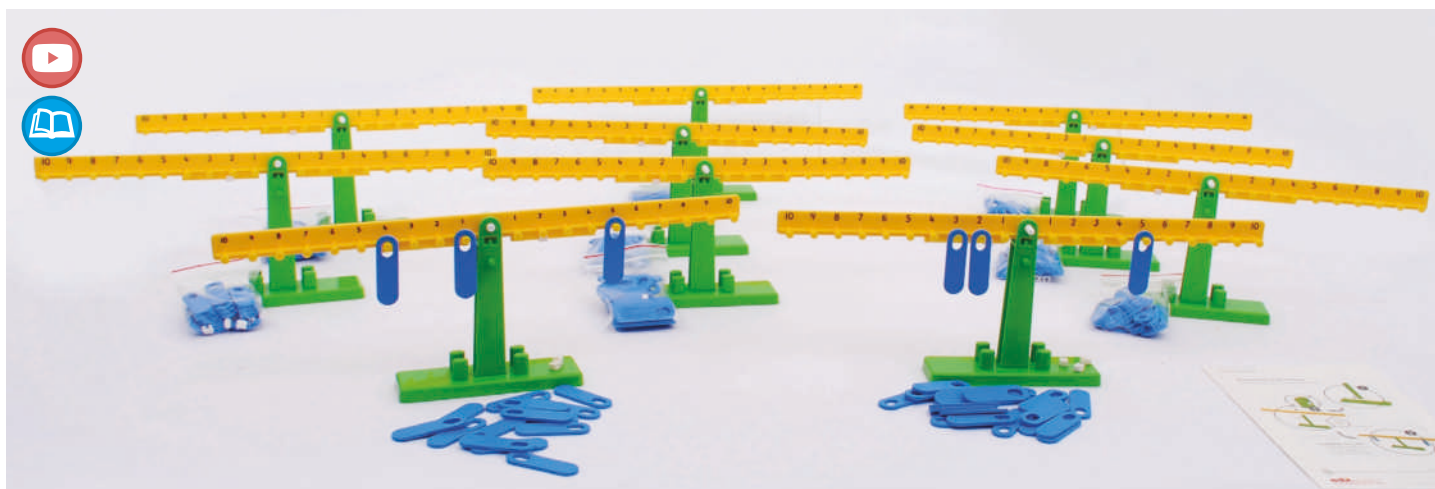

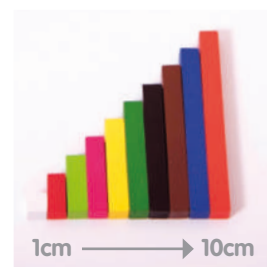

## Wooden Cuisenaire Rods

76087 Pk308

Full set of wooden maths rods in a range of different colours and lengths. Promoting mathematical quantity, value and number relationships, spatial reasoning, motor skills and creative awareness. Includes wooden container for convenient storage.

Size of box: 325 x 175 x 40mm.

Cube lengths: 10mm to 100mm.

## edX Number Balance Sets

53989 Mini Number Balances (360 x 130mm) Pk10

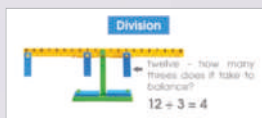

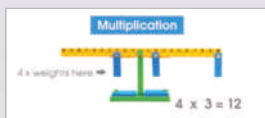

53889 Number Balance (655 x 210mm) Single

Ideal for students to explore and study number concepts, addition & subtraction, multiplication & division, and numerical relationships. Each balance set includes 20 mini weights. Activity guide included - also available digitally in Spanish & French.

Size: 360 x 130mm.

53889

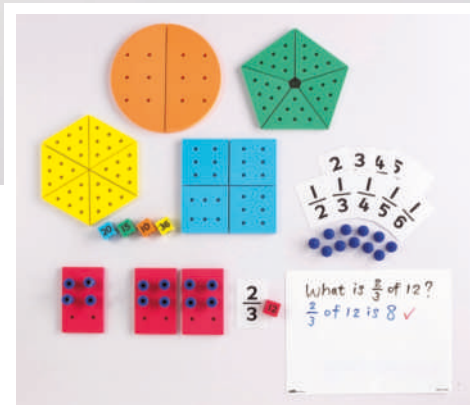

## edX Fractions of Quantities

54057

A set of hands-on components to enable children to find the fraction of a given quantity, e.g.  $\frac{2}{5}$  of 20. It uses foam shapes, pegs, dice and cards to break down the process into manageable stages so that children understand exactly what is happening. The set was produced in conjunction with practising teachers. Includes activity guide.

Size of circle: 200mm dia.

## edX Fraction Squares

53852 Pk51

Set of proportionally sized squares representing a whole, halves, thirds, quarters, fifths, sixths, eighths, tenths & twelfths in 9 distinct colours with printing on each piece. Supplied in a plastic container for convenient storage.

Size of 1 whole: 100 x 100mm.

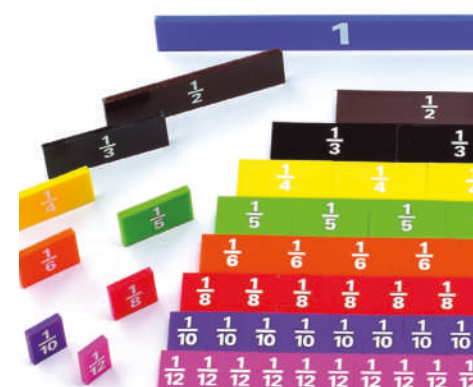

## edX Fraction Circles

53851 Pk51

Set of proportionally sized circles representing a whole, halves, thirds, quarters, fifths, sixths, eighths, tenths & twelfths in 9 distinct colours with printing on each piece. Supplied in a plastic container for convenient storage.

Size of 1 whole: 87mm dia.

## edX Fraction Tiles

53853 Pk51

Set of proportionally sized tiles representing one whole, halves, thirds, quarters, fifths, sixths, eighths, tenths & twelfths in 9 distinct colours. Supplied in a plastic container for convenient storage.

Size of 1 whole: 203 x 25mm.

## Polyhedra Dice Set

75145 Pk162

Set of polyhedral dice in assorted colours, supplied in a plastic carry case for convenient storage. Suitable from 6 years. Size of dice: 16mm.

## Large Write / Wipe Dice

50474 Pk6

Set of 6 blue cubes with dry-wipe surfaces which are suitable for use with magnetic resources. Size: approx. 50mm.

## Soft Dice

75148 Pk2

Soft moulded foam dice, ideal for classroom activities. Size: 75mm.

## Giant Write / Wipe Dice

50476

Single cube with dry-wipe surfaces which are suitable for use with magnetic resources. Colour may vary, red or green. Size: 120mm.

## Shape & Geometry (Page 161-164)

Learning the names and attributes of simple 2D & 3D shapes is a building block for learning about geometry and is fun and informative for young children too. Older children will enjoy learning about symmetry, reflection and angles, attributes, angles and indices using colourful interactive resources.

# Maths | Shape & Geometry

Regular & irregular polygon shapes

## TickiT Rainbow Glitter Shapes

72622 Pk21

Sparkling colour glitter shapes in 7 colours. Each colour includes 3 versions of a polygon: irregular and regular, ideal for understanding simple geometry principles. The shapes are made from 3mm acrylic and can be used on a light panel. Each one comes with a 2.5mm hole at the top balance point so they can be strung up against a window or outdoors to create fascinating colour shape shadows.

Size of circle: 100mm dia.

## edx Junior GeoLand®

54051

A comprehensive mirror set to stimulate children's imagination and allow them to explore symmetry and reflection with their creative designs. They will also want to look into the mirrors and see their own multi-image reflections. Includes 3 vertical acrylic mirrors, 1 semi-circular horizontal acrylic mirror, plastic frame with 15 degree graduations, 30 pattern blocks, 50 GeoStix®, 64 double-sided activity cards and an activity guide - also available digitally in Spanish & French.

Size of frame: 300mm.

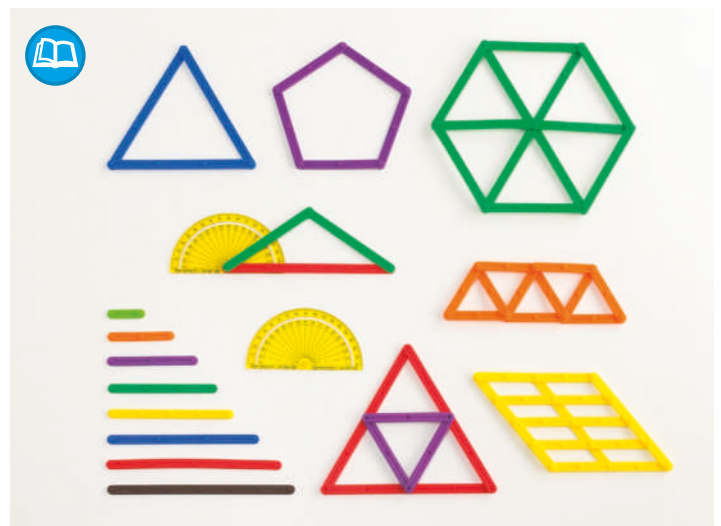

## edx Geoboards

53867 Pk6

Double-sided square geoboards in 6 colours with 24-pin circular array on one side and a 5 x 5-pin grid array on the reverse. Includes 120 elastic bands and activity guide - also available digitally in Spanish & French.

Size: 150mm.

## edx GeoStix®

75136 Pk82

Flexible sticks in 8 different lengths that snap together at multiple different angles to allow students to explore plane geometry. The set includes 80 sticks and 2 protractors, an ideal hands-on manipulative for students to investigate shape and area. Supplied in a ziplock bag with activity guide - also available digitally in Spanish & French. Size of sticks: 25-150mm. Protractor: 100mm.

## edX Plastic Pattern Blocks

52173 Pk250

Solid plastic 5mm thick pattern blocks in 6 geometric shapes and 6 colours. Cards available separately (53985). Digital activity guides are available for customers to download in English, Spanish and French.

Size of square: 25mm.

## edX Translucent Pattern Blocks

72249 Pk245

For pattern-making, sequencing, understanding geometric shapes, colour recognition, mixing and matching. Set contains 20 yellow hexagons, 30 red trapezoids, 30 orange squares, 45 blue parallelograms, 60 green triangles and 60 tan rhombi.

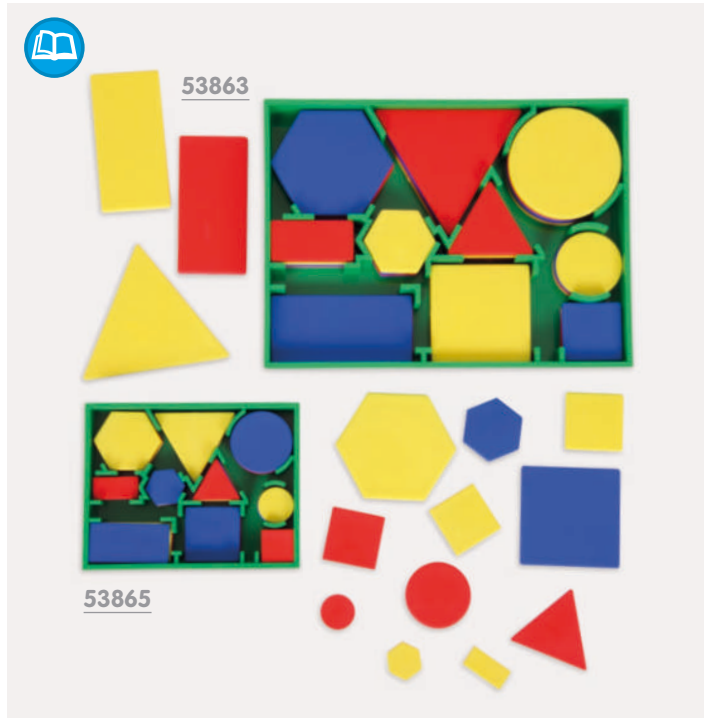

Size of square: 25mm.

## edX Basic Pattern Block Cards

53985 Pk20

A4 double-sided pattern cards providing 2 levels of difficulty, ideal to practice matching skills and fitting shapes together. Use with Translucent Pattern Blocks (72249), Plastic Pattern Blocks (52173) and Translucent Hollow Pattern Blocks (73093) on p20. Supplied in a ziplock bag.

## edX Attribute Blocks

53865 Pocket Set (square: 30mm) Pk60

53863 Desk Set (square: 54mm) Pk60

Each set contains 5 shapes in 3 colours, 2 sizes and 2 thicknesses. Supplied in a plastic sorting and storage container. Digital activity guides are available for customers to download in English, Spanish and French.

# Maths | Shape & Geometry

Our range of geometric solids is ideal for understanding the characteristics of 3D shapes as well as their relationship with 2D shapes. Made from wood or plastic, the sets can be used in a variety of engaging ways for children to learn about area, volume, size and shape as well as the attributes of solid shapes, including nets, angles, edges faces and vertices.

## **Wooden Geometric Solids**

**52177 Pk15**

Beautiful smooth wooden geometric solids. Set contains 15 different 3D shapes. Size of cube: 50mm.

## **Folding Geometric Solids 2D/3D**

**53983 Pk24**

Ideal for exploring relationships between 2D shapes and 3D solids. Set contains 12 different geometric shapes made from durable plastic with rounded corners and edges. Includes 12 corresponding soft plastic folding nets and activity guide. Digital versions are available in Spanish and French. Size of cube: 80mm.

## **Geometric Solids**

**75132 Pk12**

Set contains 12 different medium-sized 3D shapes in 4 colours. Shatterproof plastic. Digital activity guides are available for customers to download in English, Spanish and French. Size of cube: 80mm.

## **Large Geometric Solids**

**52129 Pk17**

Set contains 17 different large 3D shapes in 4 colours. Size of cube: 105mm.

## Measurement (Page 165-168)

Understanding how things are measured is a vital part of any mathematics curriculum and can start with simple comparisons between similar objects and develop into something more precise using measuring instruments and devices.

## **edX** Liquid Measurement Set

**53967**

Liquid volume measurement set, including 5 nesting measuring bottles (capacity 200 - 3000ml), 3 measuring jugs, 5 measuring cups, and 6 measuring spoons.

## **edX** Beaker Set

**52082 Pk7**

Translucent containers for holding 50ml, 100ml, 200ml, 250ml, 300ml, 500ml and 1000ml of fluid respectively. Made from autoclavable polypropylene.

## **edX** Graduated Cylinder Set

**52703 Pk7**

Translucent containers for holding 10ml, 25ml, 50ml, 100ml, 250ml, 500ml and 1000ml of fluid respectively. Made from autoclavable polypropylene.

## **edX** Geometric Volume Set

**52986 Pk6**

Demonstrate the relationships between shape, volume and area. Set of 6 hollow 3D shapes: cone, sphere, cylinder, cube, pyramid and rectangular prism. Suitable from 8 years. Size of cube: 100mm / 1 litre.

## **edX** Measuring Beakers Set

**52080 Pk5**

Made from polypropylene, these graduated beakers can tolerate temperatures up to 120°C.  
Size: 50ml, 100ml, 250ml, 500ml, 1000ml.

## **edX** Measuring Jugs Set

**37025 Pk3**

Graduated measuring jugs.

Size: 250ml, 500ml and 1 litre.

## **edX** 1 Litre Pan Balance

**53877**

Strong and durable pan balance with 1000ml translucent graduated pans. Includes sliding compensator for calibration.

Size: 385 x 280mm.

## **edX** 1/2 Litre Bucket Balance

**53879**

Durable plastic balance with clear removable graduated buckets that are easy for small hands to pour and measure. Buckets hold up to 500ml. Includes sliding compensator for level and accurate measurements.

Size: 395 x 145mm.

## **edX** 1 Litre Bucket Balance

**75104**

Durable plastic balance designed for learning weight and hands-on measurement. The clear removable graduated buckets are easy for small hands to pour and measure. Buckets hold solids or liquids up to 1000ml. Sliding compensator is for level and accurate measurements.

Size: 470 x 170 x 130mm.

**edk Trundle Wheel & Counter**  
**70025**

Makes measuring long distances easy with its non-slip rubber tyre and multiple adjustment length handle. Counts up to 10,000 metres.

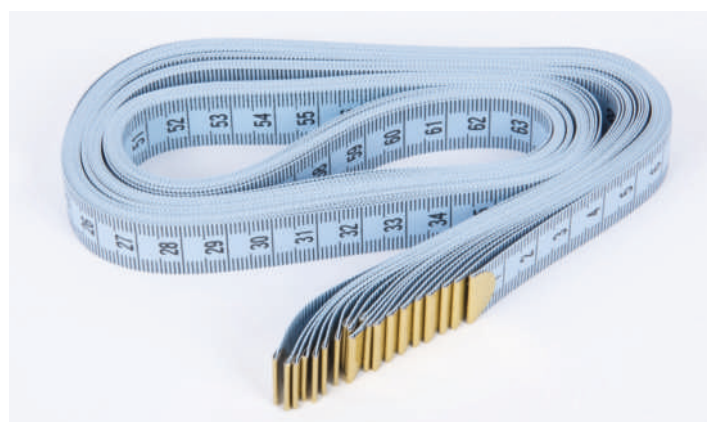

**TickiT Classroom Thermometer**  
**90093**

Giant thermometer featuring a large, accurate 300mm glass kerosene-filled magnifying tube. Range is -30° to 50°C and -20° to 120°F. Size: 380mm.

**edk 10m Wind Up Tape**  
**52444**

Marked in centimetres and millimetres on one side and inches on the reverse. Winds back into sturdy case. Size: 90mm dia.

**edk Tape Measures**  
**52443 Pk10**

A set of 10 x 1m tape measures marked in centimetres and millimetres.

## Time (Page 169-172)

Children are regularly exposed to the concept of time by adults, but younger children often have an incomplete understanding of what this means in actual terms. Sand timers offer a traditional and easy-to understand visual demonstration of time passing, whereas digital timers and clock sets will aid older children with more accurate time-telling.

## TickiT ColourBright Sand Timers

92109	30 Second (Red)	92119	10 Minute (Orange)
92111	1 Minute (Green)	92121	15 Minute (Purple)
92113	2 Minute (Pink)	92123	30 Minute (Black)
92115	3 Minute (Yellow)	92125	Set of 3 (1, 3, 5 Minute)
92117	5 Minute (Blue)		

Our range of excellent value robust sand timers offers the traditional visual demonstration of the passing of time, with bright colours and a shatterproof plastic barrier to protect the sleek modernised glass bulb inside. Easy to understand for young children, ideal for use in timed games or activities and for timing experiments in maths or science. Colour coded to match the other sand timers in our TickiT range, with clearly marked times on the end caps. Includes information sheet.

Size: 150 x 72mm dia.

## TickiT Mega Sand Timer

92042 1 Minute (Green)

92044 3 Minute (Yellow)

92046 5 Minute (Blue)

Ideal for group activities, with shatterproof plastic barrier to protect the inner glass.

Size: 300 x 150mm.

## TickiT Midi Sand Timers Set

92007 Pk5

Set contains one each of 30 seconds (red), 1 minute (green), 3 minutes (yellow), 5 minutes (blue) and 10 minutes (orange).

Size: 100 x 25mm.

## TickiT Mini Sand Timers

92001 1 Minute (Green) Pk3

92002 3 Minute (Yellow) Pk3

92003 5 Minute (Blue) Pk3

92004 Set of 3 (1, 3, 5 Minute)

92005 Set of 30 (10 each of 1, 3, 5 Minute)

Size: 90 x 25mm.

## Classroom Clock Kit

53074

Durable plastic clocks with colour coded geared hour and minute hands. Large 12 hour markings on the outer circle and smaller 24 hour markings on the inner circle make it easy for the student or teacher to demonstrate time telling. Includes built in stands for desktop use. Kit contains 24 student clocks (105mm dia.), 1 teacher clock (300mm dia.) and activity guide.

## Tell Time Flip Charts

53885 Student (358 x 107mm) Pk10

53887 Teacher (530 x 180mm) Single

Teach analogue and digital time effectively with these freestanding flip charts showing the 12 hour clock face and numbers for the 24 hour or 12 hour digital time. The clock face has movable colour coded hands, easy for children to coordinate the hands with the time on the flip chart.

**TickiT**

## Dual Power Timers

**92079 Pk5**

Handy sized timers with digital display (53 x 25mm) which can time up or down to 99min 59sec with a beeping alarm to notify when the time set has been reached. Having dual power functionality they are always charged and ready to go. Class set supplied in a foam-lined plastic storage container for convenient storage. Includes information sheet in 8 languages.

Size: 65 x 65 x 13mm.

## Stopwatch

**92043**

With a 12 and 24 hour clock function, date and alarm. Features stop/start, lap & split time, mode and reset buttons. Includes L1154 battery and information sheet.

Size of display: 30 x 15mm.

## TickiT Jumbo Timer

**92077**

Large clear digital display (75 x 53mm) which times up or down in 1 second increments. Maximum time 99min 59sec. Integral stand and magnet mount with "beep" start / stop button. Includes information sheet. Requires 1 x AAA battery.

Size: 100 x 105 x 21mm.

## Science & Technology (Page 173-190)

Our science resources will support the teaching of a range of topics, including anatomy, observation, light, magnetism, field effects and electricity, alongside a range of consumables for technology experiments.

**03067**

**03064**

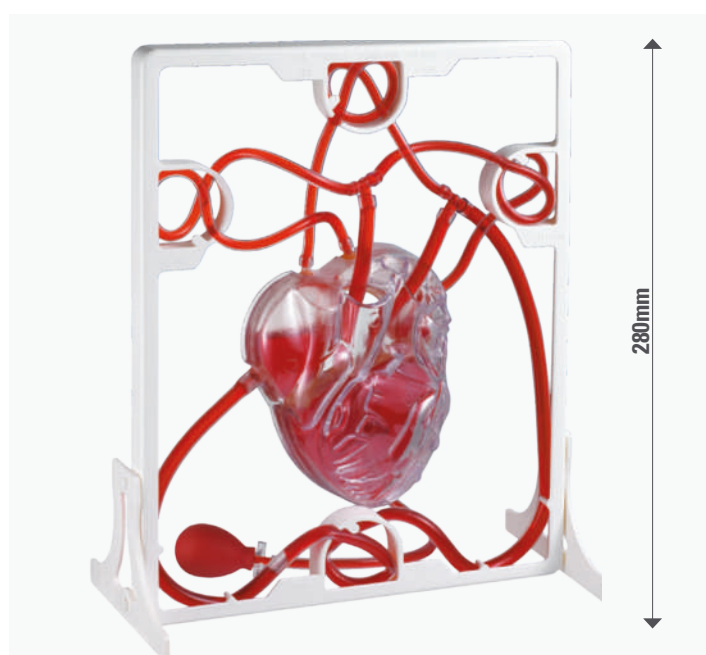

**03062**

**Life-Size Skeleton**  
**03067**  
Life-size model skeleton on a wheeled stand for easy manoeuvring. Articulated main joints. Includes assembly instructions. Suitable from 8 years.  
Size: 1.6m.

**TickiT**   
**Half-Scale Skeleton**  
**03064**  
Half scale model of the human skeleton. Articulated main joints. Includes stand and photocopiable activity guide in 4 languages.  
Size: 850mm.

**Mini Skeleton**  
**03062**  
Compact desktop model skeleton on a sturdy stand. Suitable from 8 years.  
Size: 460mm.

## Pumping Heart Model

**03017**

Clearly demonstrates how the heart pumps blood around the body. Includes assembly instructions. Suitable from 8 years. Size: 220 x 280mm.

## **TickiT** Stethoscope

**75316**

Check heart-rate using this basic stethoscope.  
Size: approx. 740mm.

## TickiT Giant Teeth Demonstration Model

03083

Excellent for demonstrating dental hygiene and tooth care. Can be manipulated manually like a hand-puppet. Includes toothbrush and activity guide.

Size: 150 x 185 x 140mm.

## Giant Dental Care Model

03089

Sturdy 2x life-size model for identifying the different types and functions of teeth, as well as teaching articulation points for learning language. The large size is ideal for showing where different sounds are produced. Includes giant toothbrush for accurate cleaning demonstration (360mm) and an activity guide. Suitable from 8 years.

Size of teeth outstretched: 450mm.

## Anatomical Teeth Set

03091

Durable hinged adult teeth model with realistic details. Suitable from 8 years.

Size: 100 x 90 x 70mm.

## Quarter-Scale Anatomical Torso

**03093**

8-piece desktop sized dissectable anatomical torso, consisting of realistically coloured and detailed body parts in the correct proportion and location. Includes photocopyable activity guide, ideal for pupils to learn about the major organs and the physical relationship between them. Suitable from 8 years.

Size: 270mm.

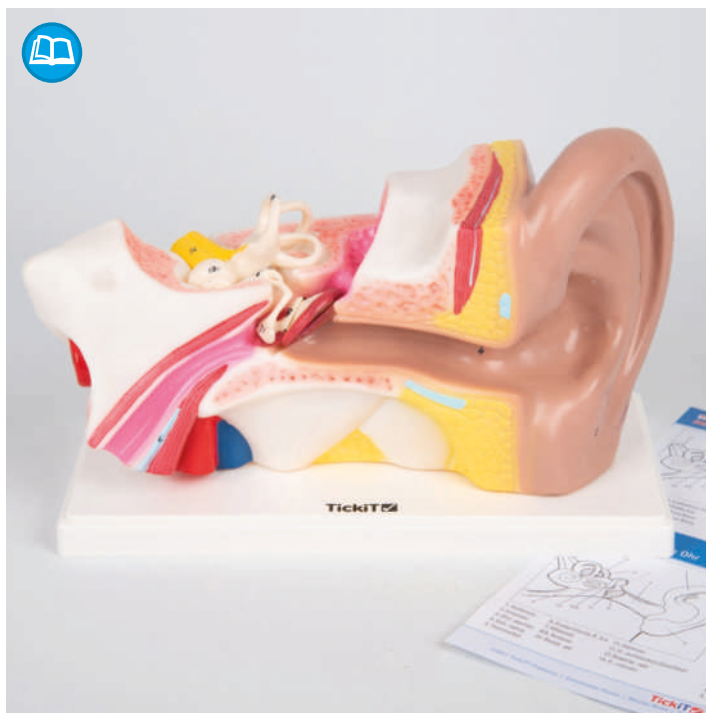

## Half-Scale Anatomical Torso

**03011**

11-piece dissectable anatomical torso, consisting of realistically coloured and detailed body parts in the correct proportion and location. Includes photocopyable activity guide, ideal for pupils to learn about the major organs and the physical relationship between them. Suitable from 8 years.

Size: 500 x 190 x 130mm.

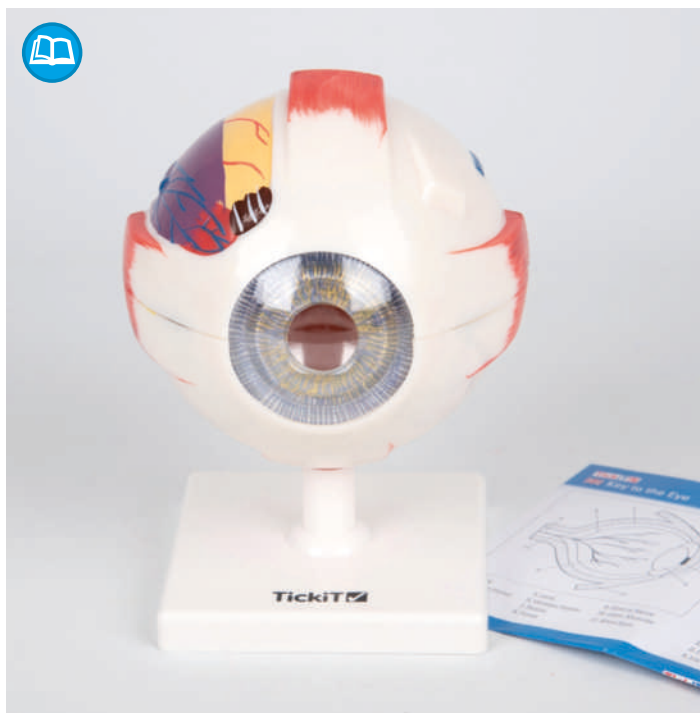

## Human Ear 4x Life-Size

**03105**

Colourful representation of the outer, inner and middle ear including: removable eardrum with hammer and anvil, 2-part labyrinth with stirrup, cochlea and auditory/balance nerve. Includes base and photocopyable activity guide in 4 languages.

Size: 340 x 160 x 190mm.

## Human Eye 4x Life-Size

**03101**

Classic model of the human eye in 6 parts with highly accurate and detailed colourful components. Dissects into: a two part sclera with cornea and eye muscle attachments, both halves of the choroid with iris and retina, lens and vitreous humour. Includes detachable base and photocopyable activity guide in 4 languages.

Size: 205 x 130 x 150mm.

## Nature Exploration Kit

**61010**

Portable container with net, magnifier and tweezers for observing captured minibeasts. Instruction manual included.

Size of container: 300mm.

## Two-Way Bug Viewer

**61005 (4x & 6x)**

Bug viewer with magnifying windows in the top and side allow two children to view specimens simultaneously from different angles. Easy grip handles. Top viewer 6x magnification; side viewer 4x magnification. Suitable from 5 years.

Size: 130 x 190mm.

## Bug House

**61020**

Observe living creatures in this convenient portable bug house. Snap lock lid for easy capture & release. Ventilated design. Great for outdoor play. Suitable from 6 years.

Size: 190mm.

## Bug Barn

**61014**

Observe living creatures or plants in the bug barn. Additional ventilated viewer pot with micro ruler, net, magnifier and tweezers included. Instruction manual included.

Size: approx. 250mm.

## Bug Viewer

**61006 (2x & 3.5x)**

Observe creatures in this viewing pot with 2x magnification lid and 3.5x magnification viewer. Clear base with micro ruler. Suitable from 5 years.

Size: 75 x 55mm dia.

## Bug Viewer Standard

**61004 (5x)**

Observe living creatures in this ventilated viewing pot with 5x magnification lid. Clear base with micro ruler.

Size: 65 x 45mm dia.

## Collapsible Bug Viewer

**61008 (2x & 3.5x)**

Observe creatures in this collapsible viewing pot with 2x magnification lid and 3.5x magnification viewer. Clear base with micro ruler.

Size: 90 x 50mm dia.

## Bug Viewer Supreme

**61026 (6x)**

Observe living creatures in this ventilated viewing pot with 6x magnification lid. Suitable from 5 years.

Size: 55 x 75mm dia.

## TickiT Telescopic Nets

34057 Pond - net size: 200 x 200mm

34059 Sweep - net size: 720 x 300mm dia.

Handy nets with telescopic aluminium handles and knotless fine mesh, will not harm specimens. Safe and durable. Guaranteed not to run if holed.

Lightweight robust aluminium

Pond Net: Extendable handle 500 - 1000mm

Sweep Net: Extendable handle 500 - 1000mm

## Bug Viewer Giant

61024 (5x)

Ventilated viewing pot with 5x magnification lid to observe minibeasts in detail. Opens both ends for easy access. Clear base with micro ruler.

Size: 135mm.

## Pond Nets

34045 Pk5

Robust nets for pond-dipping activities. Colour may vary.

Size of net: 110 x 120mm. Handle: 250mm.

## TickiT Large Sheet Magnifier

48123

Easy to use magnifier ideal for small hands. Low cost and easy to store. Up to 3x magnification.

Size: 220 x 140mm.

## Large Magnifier

61021

Good quality, hard wearing magnifier with dual magnification. Main lens 80mm dia. 3x magnification. Detail lens 25mm dia. 5x magnification. Suitable from 6 years.

Size: 187mm.

## Magnifier Set 45mm 3x 6x

48147 Pk10

Good quality, hard wearing magnifier set with dual magnification. Main lens 45mm dia. 3x magnification. Detail lens 6x magnification.

Size: 110mm.

## TickiT Class Pack of Magnifiers & Hand Lenses

61084 Pk35

Assorted optical acrylic lenses. Contains 24 x handy magnifiers (35mm dia.), 5 x detail magnifiers (50mm dia.), 2 x clarity magnifiers (63mm dia.) and 4 x Bug Viewers (61006 - 55mm dia.) in a plastic container for convenient storage.

## Binoculars Set 28mm (3x)

61036 Pk12

Set of 12 junior binoculars with 3x magnification lenses.

Size: 110 x 80 x 40mm.

## Prepared Micro-Slides

61047 Pk12

12 viewing slides, each containing 3 assorted specimens for examination under a microscope. Specimens include samples of food & drink, synthetic & natural fibres, animal cells, plant & vitamin cells, medicine & starch and microfilm. Includes plastic container for convenient storage. Suitable from 8 years. Size: 75mm.

## Hand Held Microscope

61002

Compact pocket microscope that can be used for instant magnified observation indoors or out with 20x and 40x optical magnification. Includes strap, prepared slide, stand and information sheet in 6 languages. Requires 3 x AG13 button batteries (included). Suitable from 8 years.

Size: 100mm.

## TickiT LED Handy Torches

48012 Pk12

Energy efficient small handheld torches for classroom experiments. 3 x red, 3 x blue, 3 x green, 3 x yellow. Requires 2 x AA batteries.

Size: 160 x 33mm.

## TickiT LED Light Box & Optical Set

48227

Comprehensive light and optics set which includes a 3 beam ray box (each beam available in dual colours – white or red) and an array of lenses and prisms, teachers' notes and 9 pupil work cards. The set is an ideal accompaniment to any advanced study of light and optics with experiments to show refraction and reflection through various shaped prisms and lenses, the splitting of light into the rainbow colours, how internal reflection is used in fibre optic cables and the appropriate lenses to use to correct long and short sightedness. Includes activity guide and work cards. 3 x AAA batteries required. Recommended for children from 8 years.

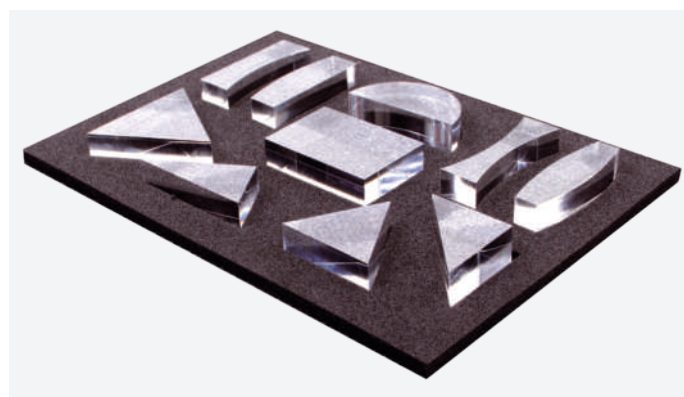

## TickiT Deca Prism Set

48160 Pk10

A set of 25mm-thick plastic optical prisms, including a selection of triangular, rectangular, semi-circular, convex and concave shapes. Supplied in a foam-lined box for convenient storage.

Size of prism: approx. 75mm.

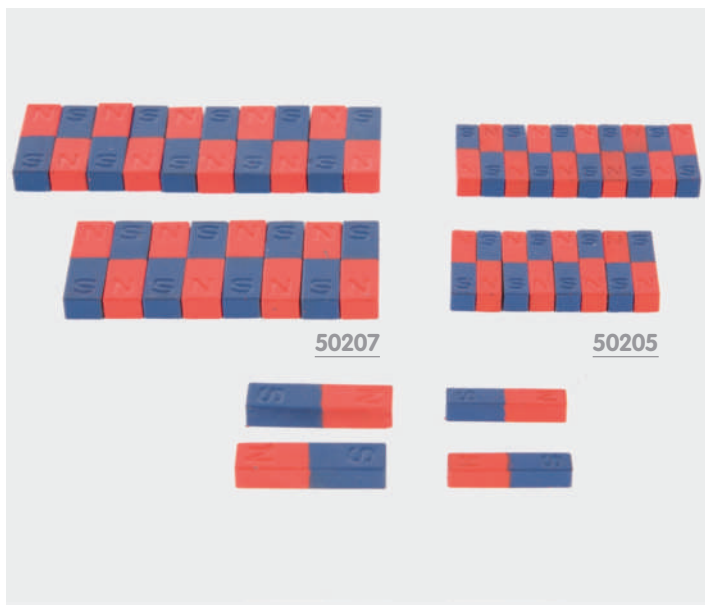

## Standard Bar Magnets

**50028 Pk2**

Strong magnets with tough plastic outer casings (red = north, blue = south).  
Size: 80 x 22 x 10mm.

## Bar Magnets

**50205 40 x 9 x 9mm Pk20**

**50207 50 x 10 x 14mm Pk20**

Solid ferrite magnets with painted red / blue poles stamped N / S respectively.  
Suitable from 8 years.

## Alnico Horseshoe Magnet

**50114 25mm**

Alnico horseshoe magnet painted red with keeper.  
Suitable from 8 years.

## Super Magnets

**50209 Pk2**

Strong neodymium magnets in tough colour coded outer mouldings (red = north, blue = south).

Size: 60mm.

## Bar Magnets Set

**50281 Pk20**

Solid ferrite magnets with painted red / blue poles stamped N / S respectively and supplied in a snap top case. Suitable from 8 years.

Size of magnet: 14 x 10 x 50mm.

## Neodymium Disc Magnets

**50179 10 x 4mm Pk10**

Neodymium magnets have the greatest pulling force of all permanent magnets.

# Science | Plastic Magnets

## Magnetic Wands & Marbles Set

**50016**

2 magnetic wands and 20 coloured plastic-covered magnetic marbles. Wand colour may vary.

Size of wand: 190mm. Marbles: 15mm dia.

## Giant Horseshoe Magnet

**50019**

Powerful magnet with north and south poles clearly marked.

Size: 210mm.

## Magnetic Wands & Chips Set

**50012**

2 plastic magnetic wands and 100 coloured plastic counting chips with metal rims. Wand colour may vary.

Size of wand: 190mm. Chips: 20mm dia.

## Magnetic Wands

**50282 Pk6**

6 plastic magnetic wands in bright colours. Can be used with metal counting chips and magnetic marbles.

Size: 190mm.

## Magnetic Coloured Marbles

**50383 Pk20**

**50291 Pk100 (Tub)**

Plastic-cased magnetic marbles for fun attraction and repulsion activities. 10 colours. Size: 15mm dia.

## Metal Counting Chips

**50409 Pk100**

**50293 Pk500 (Tub)**

Translucent colour discs with metal rims, ideal for use with magnets in counting and sorting activities. Size: 20mm dia.

## **First Experiments Magnetism Set**

**50215**

The perfect set to develop magnetic investigation. Contains 4 wands, 20 magnetic marbles, 2 plastic-cased magnets, a super magnet, a set of floating ring magnets, a small horseshoe magnet, a compass magnet and activity guide. Supplied in a plastic container for counting out and counting in.

Size of horseshoe magnet: 120mm.

**50217**

**50216**

## **Magnetic Attraction Kit**

**50216 Single Set    50217 Double Set**

Fun and educational magnetic play sets to illustrate attraction, repulsion and magnetic fields.

Double set contains 4 x bumper cars, 16 x ring magnets, 2 x ring stands, 4 x professors, 4 x magnetic wands, 2 x rulers, 4 x iron filings cases and photocopiable activity guide in 3 languages. Suitable from 8 years.

# Science | Magnetism Kits

## Deluxe Magnetism Kit

50169

A comprehensive selection of magnets and materials supplied in a plastic container for convenient storage. Includes alnico bars, alnico button magnets, round and square alcomax bars, ferrite blocks and rings, chrome steel horseshoe magnet, alnico horseshoe magnet, iron filings bubble, pair of plastic-cased bar magnets, coloured squares of magnetic rubber, chrome steel bars, a metal disc set and plotting compasses.

## Magnetism Kit

50203

Selection of magnets and materials supplied in a plastic container for convenient storage. Includes alnico bars, alnico button magnets, ferrite blocks & rings, chrome steel horseshoe magnet, alnico horseshoe magnet, coloured squares of magnetic rubber, plotting compasses 19mm, compasses 14.5mm, chrome rods and a piece of lodestone.

## Magnetic Connections Electricity Kit

87210

Connections are made using transparent wires to show the copper core, and with clear bases to show the path of electricity right to the component. Circuits are made using the simple Maglead system. Contains 6 circuits (2 closed, 1 festoon bulb, 1 buzzer, 1 motor and 1 switch), 3 x MES bulbs, 10 x Magleads, 2 x crocodile clips, resistance wire, 3 x battery connectors and photocopyable activity guide. Requires 3 x C batteries.

## Magnetic Materials Testing Kit

50241

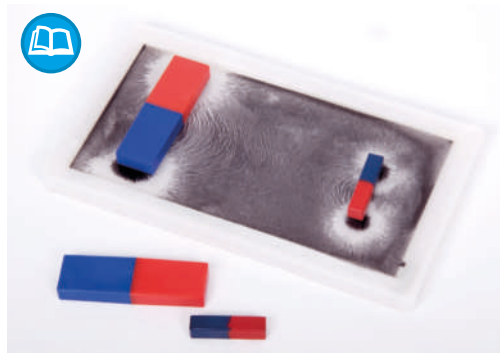

20 magnetic and non magnetic objects; some familiar, some not, neatly sealed in clear plastic pots with 2 magnetic wands to test for magnetism. Good for individual and group work, supplied in a plastic container for convenient storage.

Size: 220 x 330 x 50mm.

# Science | Field Effects

## Magnetic Field Pattern Window

50143

Frame containing magnetic powder in a water based solution for showing magnetic field patterns. When a magnet is present the particles of iron inside become slightly magnetised, so they attract each other and cluster into the lines that show the magnetic field patterns. Includes a pair of small ferrite block magnets, a pair of plastic-cased bar magnets and activity guide.

Size: 225 x 130 x 15mm.

## Giant Magnetic Tube

50066

A clear plastic tube with a double wall and iron filings between the two layers to show a 3 dimensional view of the magnetic field around the magnet supplied. The magnet is removable and the filings are safely encased.

Size: 130 x 90mm.

## Round Iron Filings Bubble

50351 Pk10

Filings encased in a plastic bubble, used to observe the effects of invisible magnetic fields.

Size: 85mm dia.

## Iron Filings Bubble

50190

Rectangular plastic-cased iron filings to show the effect of invisible magnetic fields. Size: 97 x 70 x 10mm.

## Iron Filings Shaker

50094

Iron filings in plastic shaker, ideal for magnetic flux experiments.

Size: 80mm. Approx. 225g.

## Magnetic Globe Set

50417

A two piece set representing the Earth and its magnetic fields. The rubberised ball shows continent details and has a strong magnet inside that simulates the Earth's magnetic field. The hand held magnet field finder will show the strength, direction and position of the magnetic flux when placed near the Earth's ball. Includes activity guide.

Size of globe: 140mm dia. Size of field finder: 130mm.

## Standard Compass

50197

Tough plastic-cased compass with lanyard, marked with 4 compass points and full 360 degree scale around its edge.

Size: 45mm dia.

## Giant Compass

50269

Tough plastic-cased compass with lanyard. Marked with 8 compass points and full 360 degree scale round edges.

Size: 100mm.

## Metal Strip Set

50147 Pk12

A variety of metal materials, including brass, copper, bronze, nickel silver, mild steel, stainless steel, galvanised steel, zinc and aluminium. Stamped for identification. Size: 50mm.

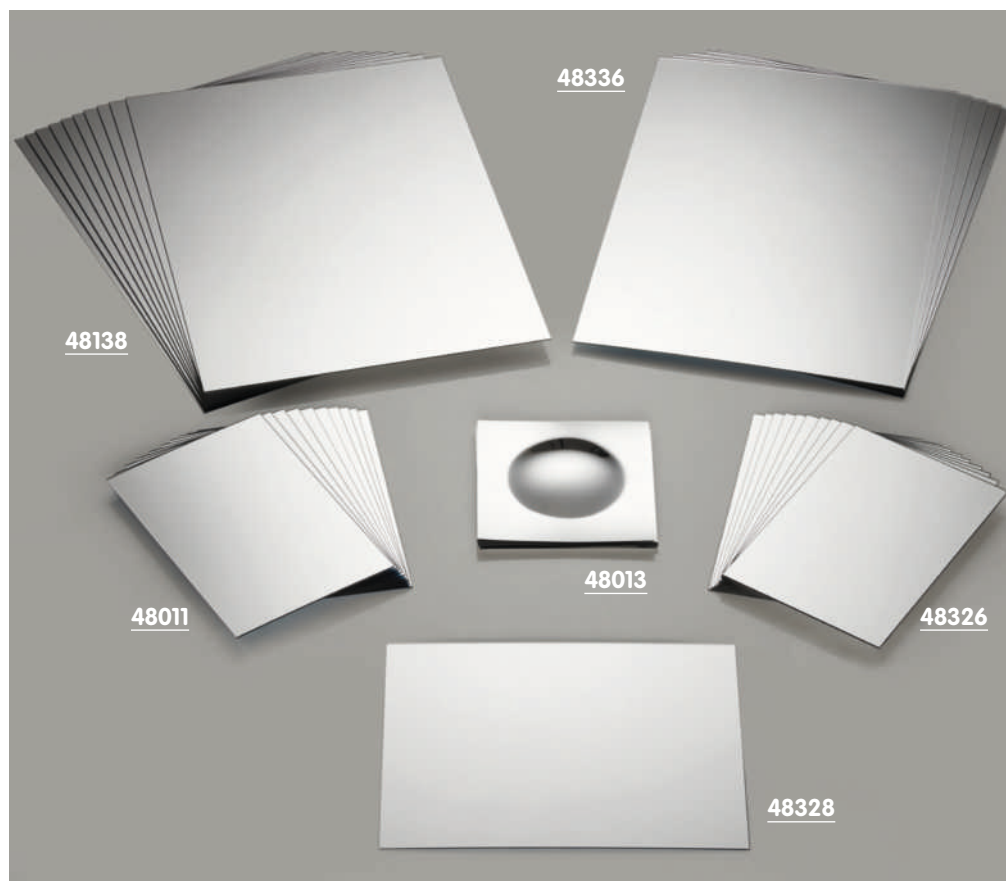

## Lenz's Law Kit

50149

Copper tube with viewer containing a non-magnetised and a magnetised neodymium plug. Includes teachers' notes. Size: 327mm.

## TickiT Plastic Mirrors

Plastic mirrors with high quality mirror finish. Mirrored sides protected with peel off film. Can be bent or cut easily. Uses include science experiments with light, maths shape and symmetry work, creative art and craft projects.

### Double Sided

48326	150 x 100mm	Pk10
48328	190 x 145mm	Single
48336	300 x 200mm	Pk5
48013	Concave / Convex 100mm	Pk10

### Single Sided

48138	A4 Mirrors (210 x 297mm)	Pk10
48011	A6 Mirrors (100 x 150mm)	Pk10

## Magnetic Dots

87225 Pk300

Self-adhesive round magnetic dots & pads, ideal for art and DT projects. Size: 12mm dia.

## TickiT Mounting Clips

64112 Pk10

Plastic spring clip for holding components 19-25mm diameter. Includes sticky pads and reducing collar.

## Bargain Mixed Wheels

64022 Pk100

Multi-coloured plastic wheels with 4mm diameter centre hole. Size: 40mm dia.

## Crocodile Clip Lead Set

23016 Pk10

Ready-wired lead set with mixed coloured cables for easy identification. Size: 360mm.
