

WELCOME back to St Luke's as we gather to give thanks to God for his faithfulness and to pray together for our family and friends and the wider world. Of necessity and to conform with HM Government's Guidelines we will for some time have to truncate our liturgy and follow certain practices to ensure safe distancing and minimise any threat to health. Your co-operation and understanding is appreciated.

Various notices are set out around the Church but in summary the following will be our Modus Operandi:

- * Maintain social distance
- * Please clean your hands on arrival and as you depart the Church.
- * Please enter through the West Door on Gibbon Road and exit through the Porch Doors on Burton Road.
- * Pews should be occupied in the identified available alternate rows.
- * A one way system will operate around the Church.
- * Communion will be in one kind only.

Fr Martin will hold up the Host and say "The Body of Christ" to which the people should reply "Amen". The Sacrament will then be administered and received in silence.

Due to cleaning procedures would you please exit your pew as promptly as possible and move to the back of the church or outside for conversation.

Bon voyage

On Monday Patricia James will move back to Kent to be closer to her family and returning to her roots. Patricia and Fr Gerwyn have been faithful and generous supporters of St Luke's over many years and Patricia plans to continue to stay in contact with the St Luke's family through access to our Zoom services.

We wish Patricia every blessing and best wishes.
