Vaccinations against Equine Influenza.

The horse or pony must have been vaccinated against equine influenza by a veterinary surgeon who is not the owner of the animal, in accordance with the following rules:

The horse or pony must have received a primary injection followed by:

- a second primary injection which is given not less than 21 days and not more than 92 days after the first.
- a first booster injection which is given not less than 150 days and not more than 215 days after the second primary injection.
- further annual booster injections at intervals of not more than a year apart.

***Directions:** From Newcastle Emlyn take the road up the hill past the swimming pool. Continue on up until you reach the cross roads. Turn right and go over the next small cross roads and continue down bendy road. Starlight is on the right. From Carmarthen take the road past the windmills and just past windmills take the left signposted for Starlight. Cross all the crossroads. Car park is on the right.
