

And finally, we have some great pictures from Dorothy Bark, sketched during the Tithe Mead excavation:

Art in Miniature in Bruton

Here are two miniature art images from Dorothy Bark which she sent to the newsletter after the Bruton outing in February:

Watercolour of Patwell Street. Actual size: 88 mm x 58 mm

Etching of St. Mary's Church: 50 mm x 79 mm

Wonderful to have a member who both likes to draw and can share her lovely artwork. MC
